Attn: Robert Lennartz, President

Dear Mr. Lennartz:

We wish to congratulate the WNYSSB, as a legally authorized byway in New York State, for its role in promoting the culture, history, and scenery of the area surrounding its now 107 mile route. We are pleased that the Byway has worked in close coordination with the Western New York Land Conservancy, and that an interpretive sign will be installed at the site.

The Town of Aurora, together with the Western New York Land Conservancy, agrees to accept the interpretive sign, to not damage or remove it, under the following conditions:

- That the town, the Western New York Land Conservancy, together with the WNYSSB, has agreed to its content;
- That the town and Western New York Land Conservancy agree to its location, adjacent to the parking lot at the overlook (See attached map).
- That if the sign should become damaged, to consult with the WNYSSB regarding a means to repair the sign. The payment of such repair would be as agreed to by the town and the WNYSSB at that time.
- The town and the Western New York Land Conservancy wish to have the sign mounted horizontally at 30 degrees.

We look forward to the installation of the sign!

Sincerely,

At Jim Bach's request, Sheryl and Jason completed a full inventory of items in the 300 Glead warehouse that the town may want to surplus. Attached is a detailed list of all of these items. We intend to list most of these items with Auctions International. There are a few things that will be immediately recycled as they have very little value.
