4/20/2021 Narrative: Myself and two siblings inherited this property from our recently deceased father and we want to sell parcels ONE and TWO this spring. We are seeking confirmation from the town that the parcels are buildable. Note: Subdivision was approved and recorded with the town around 2004. Owner is in good standing with property taxes. #1 Relief Sought: Owner requests that the minimum lot size be grandfathered for parcel TWO. This parcel met the minimum standard prior to 2017. #2 Relief Sought: Owner requests that the front setback for parcel TWO of 75' be grandfathered to allow for better placement of the home on the parcel. The crown of the lot or "high spot" is in the middle of the lot. The original subdivision was VERY intentional to allow for a beautifully sighted home on the crown of the lot. If approved, this relief would also allow for more equal spacing between the two existing houses, meeting the general intent of the zoning criteria. #3 Based on recent discussions with the Town of Aurora and the County, the Owner understands that the best way forward to make parcel #1 buildable is to do a property line adjustment as shown. Please advise accordingly. See also letter from Town of Aurora to Jerry Morrow dated November 09, 2004.

Re: Budget Amendments

We have just been informed that our New York State CHIPS funding has been increased by about \$36,000 for this year. Tax revenues over the last twelve months have also come in at a much higher rate than was forecasted when the budget was created for 2021. We are excited to announce that we will be able to repave Boise Road this year because of these increases! Permanent road work had been put on hold because of the pandemic, but it's time to move forward. We intend to perform the work in April while material prices are down. Please amend the 2021 Budget to include the following changes:

Add \$36,000 to CHIPs Account DB 3501

Add \$50,000 to Highway Sales Tax Revenues Account DB 1120

We are transferring funds from Highway General Repairs Account DB 5110 to Highway Permanent Repair Account DB 5112 in the amount of \$44,000 to cover labor, and the remaining materials and equipment expenses that will be incurred to repair the road. Attached is an estimate by County Line Stone Co., Inc for material and equipment costs. The total estimated amount is \$106,548.60. Also please see Midland Asphalt's estimates totaling \$83,408.07 to oil and chip town roads this year, leaving us a surplus to use towards permanent repairs.

Thank you,

ALCOHOLIC BEVERAGES

GENERAL REFERENCES

Parks — See Ch. 84.

§ 36-1. Legislative intent.

It is the intent of the Town of Aurora, as an exercise of its police power, to promote the general health, safety and welfare of the residents of the Town of Aurora by enacting this chapter, since it is the finding of the Town Board that the possession of open containers of alcoholic beverages and the consumption of alcoholic beverages by persons on public lands, except under controlled conditions, is detrimental to the health, safety and welfare of the residents of the Town of Aurora in that such possession and consumption contributes to the development of unsanitary conditions and the creation of nuisances. It is further the intent of the Town Board of the Town of Aurora that this chapter not be considered as a traffic regulation insofar as it relates to motor vehicles or the operation thereof.

§ 36-2. Definitions.

For the purposes of this chapter, the following terms shall have the meanings ascribed to them. All other words shall have the meanings normally ascribed to them in regular usage.

ALCOHOLIC BEVERAGES — Includes alcohol, liquor, wine, beer, cider and every liquid, patented or not, containing alcohol, wine or beer and capable of being consumed by a human being.

CONTAINER — Any bottle, can, glass or other receptacle suitable for or used to hold any liquid.

PRIVATE PARKING LOT — Any area or areas of private property near or contiguous to and provided in connection with premises having one or more stores or business establishments and used by the public as a means of access to and egress from such stores and business establishments and for the parking of motor vehicles of customers and patrons of such stores and business establishments.

PUBLIC LANDS — Any highway, street, sidewalk, park, playground, public parking lot, private parking lot or other public land.

§ 36-3. Prohibited acts.

It shall be a violation of this chapter for any person to:

- A. Consume any alcoholic beverage on any public land within the Town of Aurora.

- B. Have within his possession, for the purposes of consumption on public lands by either himself or another person, any open container containing an alcoholic beverage on any public lands within the Town of Aurora.

§ 36-4. Exceptions.

The foregoing prohibition shall not apply in the event of a fair, picnic or other community gathering for which special permission has been granted by the Town of Aurora where consumption of alcoholic beverages shall be permitted during those hours when such function is open to the public.

§ 36-5. Applicability.

This chapter shall apply to all persons on public lands in the Town, except as hereinbefore provided, but shall not apply to any person drinking an alcoholic beverage while operating a motor vehicle upon any public highway within the Town in violation of § 1227 of the Vehicle and Traffic Law of the State of New York.

§ 36-6. Presumptive evidence.

If any open container has on its label words indicating the presence of alcohol or a percentage of alcohol or the words "beer," "ale" or "wine," it shall be presumptive evidence that such open container contains an alcoholic beverage as defined in § 36-2. Any person in possession of an open container which is labeled as aforesaid is presumed to know that the contents are an alcoholic beverage.

§ 36-7. Penalties for offenses.

Any person or persons, association or corporation committing an offense against this chapter or any section or provision thereof is guilty of a violation punishable by a fine not exceeding \$250 or imprisonment for a period not exceeding 15 days for each such offense, or by both such fine and imprisonment.

Re: Monthly Report – March 2021

General Information

- Offices of the Chief, Police Clerk, Lieutenants and Detective offices moved last month, after the DPW finished their work. With those moves completed, the hope is to start on the next phase, securing the main hallway and moving the dispatch window, soon.
- Again, this past month the department continued to take numerous reports of false unemployment filings with New York State.
- Suburban Lock and Key lock smith installed a digital locking mechanism to the vault door, replacing the old dial. The vault will be used as our armory.
- Continued Covid-19 protocols still in place and updated when needed.

Meetings:

In addition to Village Board, Town Board and Staff meetings I also attended the following:

- Police Reform meetings
- Budget meetings
- Met with vendor for pricing on replacement of key card system for police department
- 34 Pistol Permit interviews
- Erie County association of Police Chiefs monthly meeting
- Met with 3 members of the community re: various issues
