RE: New Health Insurance Broker

DATE: 10/12/21

The Supervisor's office recently received phone calls regarding health insurance broker services from various entities. We met with Vanner Insurance, Hartloff Benefits, Bene-Care (our current broker) and spoke via phone with Sheridan Benefits. Our recommendation is to utilize Hartloff Benefit Solutions, LLC as the new health insurance broker for the Town of Aurora.

Hartloff Benefits comes highly recommended from the Village of East Aurora as well as the Town of Boston. In addition, Hartloff Benefits offers an HR platform, "ThinkHR/Mineral", at no charge. This is the software we currently use through EBC, our HR consulting firm, for our sexual harassment training. The Town would have access to SHRM certified and legal personnel, familiar with NY State regulations, to assist the Town with HR issues and/or questions.

We respectfully request approval for the Supervisor to sign the Broker of Record forms to be submitted to Blue Cross Blue Shield/Highmark (health insurance carrier) and Guardian (dental/vision carrier).

Motion to authorize the Supervisor to sign, submit and execute contracts with the Erie County Community Development Block Grant (ECCDBG) program for the following projects upon approval of the ECCDBG:

- 1) Improvements to the Aurora Senior Center (exterior door replacement; fluorescent to LED light conversion)
- 2) Continuation of the Rural Transit Services, Inc. program

LOCAL LAW ____ - 2021

5A

A LOCAL LAW, TO AMEND LOCAL LAW 1-1990 KNOWN AS “THE CODES OF THE TOWN OF AURORA”, ADOPTED BY THE TOWN BOARD OF THE TOWN OF AURORA ON JANUARY 22, 1990, TO ESTABLISH A MORATORIUM ON THE DEVELOPMENT OR SUBDIVISION OF LAND THAT LACKS REQUIRED PUBLIC ROAD FRONTAGE IN THE TOWN OF AURORA.

BE IT ENACTED BY THE TOWN BOARD OF THE TOWN OF AURORA AS FOLLOWS:

SECTION 1. LEGISLATIVE INTENT

This Local Law amends a prior Local Law known as “The Town of Aurora Code” adopted by the Town of Aurora on January 22, 1990, as amended, relating to the administrative, legislative and general legislation of Codes within the Town of Aurora as therein set forth.

SECTION 2. PURPOSE

The Town Board of the Town of Aurora has under review regulations in regard to development or subdivision of land that lacks required public road frontage in the Town of Aurora. It is acknowledged that Local Law No. 3-2021 previously established a three (3) month moratorium. Members of the Town Board have had numerous sessions reviewing the proposed code revisions together with support of the Town Planning Board. The Town Board of the Town of Aurora finds it prudent and necessary to enact an extension to a moratorium applicable to the development or subdivision of land that lacks required public road frontage. This moratorium extension is intended to ensure that no approvals for such land development or subdivision be granted or permitted until this Board can complete its planning studies and has had an opportunity to consider and enact appropriate regulations and/or appropriate amendments to existing laws. It is anticipated that the required code revisions shall be under consideration by the Town Board

within the time-frame of the additional three (3) month moratorium.

SECTION 3. AUTHORITY

This Local Law is enacted pursuant to the provisions of Article 16 of the New York Town Law and Section 10 of the New York Municipal Home Rule Law.

SECTION 4. MORATORIUM AND DURATION

The Town Board of the Aurora hereby declares a three (3) month moratorium extension on the development or subdivision of land that lacks required public road frontage within the Town in accordance with the directives of Local Law 3 - 2021.

SECTION 5. SEVERABILITY

The invalidity of any word, section, clause, paragraph, sentence, or part or provision of this Local Law shall not affect the validity of any other part of this Local Law which shall be given effect.

SECTION 6. EFFECTIVE DATE

This Local Law shall become effective immediately upon the adoption by the Town of Aurora Town Board and filing with the New York Secretary of State.

RE: Self-Insurance – 2021 Polling Sites

To Whom it May Concern:

Please be advised that the County of Erie has a program of Risk Management Self Insurance for Automobile Liability, General Liability, Medical Malpractice and Workers' Compensation coverage. The Erie County Legislature annually appropriates funds for the payment of losses and provides a program of loss prevention and employee safety and health training with regard to its participation in authorized activities.

In the event of any accident, personal injury or incident, the County requires that its Claims Office be notified immediately by calling (716) 858-2200 or writing to this office in care of the Law Department, 95 Franklin Street, Room 1634, Buffalo, New York 14202.

Under no circumstances is it to be presumed that the County of Erie will assume any liability merely as the result of being notified of an incident, nor is this letter intended to be evidence of the existence of "insurance coverage" for the County for any particular incident and is subject to annual renewal or renotification. Also, for your information, the County is a tax-exempt entity.

If there are any questions regarding the County's Program of Risk Management Self Insurance, please refer them directly to the Claims Office.

Thank you.

Very truly yours,

MICHAEL A. SIRAGUSA

TOWN OF AURORA DEPARTMENT OF PARKS & RECREATION
DIRECTOR'S REPORT
MONTH OF: SEPTEMBER 2021

ADMINISTRATIVE:

Reports:

- We have 14,511 members registered in our recreation system
- We had 456 individual program registrations in the month of September
- We generated \$19,146 in sales for September
- Credit card purchases totaled 94% (99% on-line, 1% office)
 - 2019 to 2021 comparison:

▪ Total sales from 1/1/2019 – 9/30/2019	\$196,192
▪ Total sales from 1/1/2020 – 9/30/2020	\$123,357
▪ Total sales from 1/1/2021 – 9/30/2021	\$178,138

Summer is officially over. We are so happy that so many of our programs were able to run unimpeded by the pandemic. Our fall programs have opened up for registration and we are allowed back into the East Aurora schools! Currently we have our Co-Ed Volleyball, EAST and are working on getting a few more fall programs up and running in the schools.

EAST is up and running! We are so happy to be back in our "home" pool this year. Our numbers are a bit lower this year than previous year. This is consistent with other swim teams in the area and other sports in the area. With this being our "rebuilding year", we are excited to be able to offer our program. EAST was also cleared to host our annual Kiwanis meet at the schools. Chris will be doing double duty this year being the meet director and coaching.
