James J. Bach, Supervisor

Dear Supervisor Bach,

As a representative of your East Aurora Lions Club, we have a keen interest in developing a relationship with the town and village that goes beyond donating funds for worthwhile community projects. We have in the recent past, provided financial assistance for the installation of fencing around the baseball play area at Hamlin Park and placement of a bench there in close proximity to the handicapped playground area, giving family and friends greater opportunity to observe and monitor play on the special needs equipment. As critical as financial support is to community projects, we would like to additionally, expand our service activity within East Aurora. This can best come about when our Club becomes more aware of community needs and how we might give greater hands-on assistance in meeting them.

To further our involvement within the community, we would greatly appreciate meeting with a representative from your office so as to determine what actions we may be able to take to make more productive use of our resources within our hometown. The Lions Club has a legacy of service with action in East Aurora. We very much look forward to whatever direction your office can provide that we may continue our mission.

Please contact the Lions by mail at your earliest opportunity so we may explore our future within the community we love and serve. Your kind attention is most appreciated.

Yours in Service,

Ron LaBrake, Secretary

SPONSORS MEMO:

**NEW YORK STATE SENATE
INTRODUCER'S MEMORANDUM IN SUPPORT
submitted in accordance with Senate Rule VI. Sec 1**

BILL NUMBER: S6121

SPONSOR: GALLIVAN

TITLE OF BILL: An act to amend the general municipal law, in relation to the town of Hamburg industrial development agency

PURPOSE: To expand the corporate limits of the town of Hamburg industrial development agency to the towns of Aurora, Boston, Eden, Evans, and Orchard Park

SUMMARY OF PROVISIONS:

Section 1 expands the ability of the Town of Hamburg Industrial Development Agency to exercise its powers to include property within the corporate limits of the towns of Aurora, Boston, Eden, Evans, and Orchard Park, provided that such town boards pass a resolution in support of the exercise of such powers.

Section 2 states that this law shall take effect immediately.

EXISTING LAW: The exercise of powers of the town of Hamburg industrial development agency is limited to the corporate limits of the town.

JUSTIFICATION: On September 26, 2012, Senator Gallivan held a public hearing regarding Industrial Development Agencies in Erie County. One of the concerns at this meeting was that many towns in Erie County lack an IDA and consequently are at a competitive disadvantage when businesses choose where to locate. One suggestion on how to address this issue was to allow towns without an IDA to access the IDA of a town with one. After further consultation with the towns in Erie County, both those with and without IDAs, a regional plan for IDA expansion emerged as the consensus plan for creating a level playing field for all towns in Erie County.

This bill expands the corporate limits of the town of Hamburg industrial development agency to the towns of Aurora, Boston, Eden, Evans, and Orchard Park. This system will require that towns work together to advance projects that are in the best interests of the region and Erie County as a whole. The cities are left the exclusive territory of the Erie County TDA, which is where the ECIDA has chosen to focus its energy. Projects in small towns, which are meaningful to the town in question but not critical to the county at large, are often put on the backburner by the ECIDA as it focuses on revitalizing the city cores. This

new approach will give small towns greater opportunities to pursue these projects while allowing the ECIDA to continue to focus its energy in the areas most in need of its resources.

LEGISLATIVE HISTORY: New bill.

FISCAL IMPLICATIONS: Minimal

LOCAL FISCAL IMPLICATIONS: The increased property values and future property tax revenues that will result will pay for tax abatements.

EFFECTIVE DATE: Immediate.
