MEMO

TO: Jim Bach & Town Board Members
FROM: Don Owens, Chairman, Planning Board
DATE: September 8, 2022

=====

The following actions were taken at the September 7, 2022 meeting of the Planning & Conservation Board:

Laurie Kutina moved to recommend the Town Board approve the application for Special Use Permit for a Dwelling Group at **718 West Falls Rd.** to build a 4th structure as a 5th dwelling unit on the property with the observation that the site is difficult and will require septic and site plan approval to address the existing conditions.

The Planning Board would like to ask the Town Board to consider transference in the case of sale of the property to a new owner.

Seconded by Tim Stroth

Upon a vote being taken:

Town of Aurora Board

Dear Members of The Board,

I am writing to you to supplement my application to hopefully build a single family, ranch style Home on 4.1 acres of land I purchased almost 2 years ago. The address is 718 West Falls Road in West Falls, NY.

It is a unique property currently consisting of 3 individual housing structures, housing 4 residential Rental units and one oversized shed with electricity but no other utilities. These structures all sit at An equal level of the property and are slightly elevated and set back from the street. Beyond these Buildings is an additional further elevated area where the majority of the 4 acres of land sits. This Elevated area is heavily wooded, extremely private and surrounded by equally heavily wooded and private land owned by my neighbors. It is my goal to create a well-engineered driveway up the hill approximately 250 feet and build an owner occupied, ranch style, 3 bedroom home. I'm anticipating it to be between 1800-2000 sq. ft. I would invite you all to reach out to me and let me know if you would like to tour the property as part of your evaluation of my application.

In your capacity as a board member, I believe you could see the benefit of my goal when you consider the enhanced ability of my maintaining the property and the rental units by living on the premises.

Thank you for your consideration and I look forward to answering any questions or concerns you might have. Again, If any of you would like a personal tour of the property please reach out to me and we can schedule a time to do so.

Sincerely,

J. Gerard Green

RE: Budget Transfer – Buildings Light, Heat, Power, Water

DATE: 9/26/22

Due to increased electric and gas costs, budget line A 1620.414 Light, Heat, Power, and Water has a current balance of \$2,233.96, which is not enough to cover costs through the end of the year. I respectfully request to transfer \$10,000 from A 1990 Contingent (current balance of \$13,072.98) and \$15,000 from General Fund fund balance.

Dear Supervisor Bach,

Enclosed please find a listing showing the amounts due from Authority customers in your Water Districts to whom billings have been issued and from whom payment has not been received to date.

Under contracts between the Erie County Water Authority and the Water District Board of Commissioners, provision was made that, in the event of nonpayment of water billings, the Water District would proceed to collect such unpaid charges in the manner prescribed by law. I respectfully request that you proceed to make such collections in whatever manner is provided.

As a service, I've copied the Office of your Assessor for processing as well as the Town Clerk.

If you have any questions about this action or any other matter, please contact me by email or directly by phone at (716)849-8466.

Shipping Information

 This order includes: Liftgate Service Inside Delivery Call Before Delivery (716) 652-7934

This quote reflects standard tailgate delivery. You will need personnel to take the items off the freight truck and bring inside your own facility. Delivery appointments can be made by the freight company to schedule approx delivery time.

Liftgate service is recommended for facilities that do not have a loading dock or personnel/equipment needed to lower large or heavy freight to the ground. Selecting this service will ensure that your shipment is lowered to the ground.

Inside Delivery service means that a single freight driver will assist in bringing your shipment inside the first set of doors to your facility. The driver will not navigate stairs/elevators and may still require assistance with extremely large or heavy items.

Please contact your rep to have these additional services added to your quote, or to learn more about them.

When you are ready to order, please make sure you have made all color selections and verified shipping and billing details. Feel free to discuss any questions you may have with your representative: Alisa Plummer at alisa@worthingtondirect.com

Thank you for this opportunity to furnish your space!
