TOWN OF AURORA
LOCAL LAW NO. 2022-6

A LOCAL LAW TO CREATE A NEW CHAPTER IN THE AURORA TOWN CODE ENTITLED “MEETINGS” AND TO AUTHORIZE MEMBERS OF THE TOWN BOARD AND PUBLIC BODIES OF THE TOWN TO PARTICIPATE IN TOWN BOARD MEETINGS VIDEOCONFERENCING FROM LOCATIONS OUTSIDE THE TOWN OF AURORA’S GEOGRAPHICAL LIMITS.

Section 1. Legislative Intent.

It is the intent of this local law to give members of the town’s local public bodies, as such term is defined in Public Officers Law § 103-a(1), the authority to participate in meetings via videoconferencing in a manner consistent with the town’s videoconferencing policy and the authority granted in Public Officers law Section 103-a.

Although Public Officers Law § 102 expressly allows members of a public body to attend and participate in meetings using videoconferencing, Town Law § 62 states that town board meetings must take place within the town thereby making it unclear if a town board member may participate via videoconference from a location outside the town's

boundaries. This local law is meant to expressly provide that authority to members of the town board.

Section 2. Authority.

This local law is adopted pursuant to Public Officers Law § 103-a which expressly authorizes the town board to adopt a local law giving the town's public bodies the authority to participate in meetings via videoconference from locations not accessible to the public so long as a quorum of the body participates from locations where the public may be physically present and other conditions are met.

Section 3. Videoconferencing from Outside Town Boundaries.

The town board of the Town of Aurora hereby supersedes Town Law § 62 to expressly allow members of the town's public bodies, in each public body's discretion, to participate in meetings using videoconferencing technology from locations within the town or outside the town's boundaries from a location that is not accessible by the public, in a manner consistent with Public Officers Law Section 103-a and the town's videoconferencing policy adopted by the town board. Attendance via videoconferencing is only permitted if (a) a minimum number of members are present to fulfill the public body's quorum requirement in the same physical location or locations within the Town of Aurora's boundaries where the public can attend, and (b) the member of the public body is unable to be physically present at any such meeting location due to extraordinary circumstances including, without limitation: disability, illness, caregiving responsibilities, or any other significant or unexpected factor or event which precludes the member's physical attendance at such meeting.

Section 4. Severability.

If any clause, sentence, paragraph, subdivision, or part of this Local Law or the application thereof to any person, firm or corporation, or circumstance, shall be adjusted by any court of competent jurisdiction to be invalid or unconstitutional, such order or judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, or part of this Local Law or in its application to the person, individual, firm or corporation or circumstance, directly involved in the controversy in which such judgment or order shall be rendered.

Section 5. Effective date.

This local law shall take effect immediately upon filing with the Secretary of State.
