TOWN OF AURORA SENIOR CENTER
DIRECTOR'S REPORT
MONTH OF September 2023

The mission of the Town of Aurora Senior Center is to help older adults remain healthy and active through participation in recreational pursuits and to provide leadership and advocacy to ensure the availability of leisure and recreational opportunities for seniors.

ADMINISTRATION

Our staff is working with Erie County Senior Services on tech training for our new television and laptop. Several of our University Express programs will be streamed this session. We are also starting in October with a trivia game that will compete with Tosh Collins and Cheektowaga Senior Centers. In the future we hope to have many other programs to take advantage of.

We have scheduled our annual flu shot clinic for October 17th this year.

Erie County Senior Services was looking to start a Focus Group at several centers for feedback on future programs. Our group met in September and will meet monthly. I chose various people who either instruct a class or participate in several programs here at the center.

REVENUE & EXPENDITURES: See Supervisor's Report

Re: Monthly Report – August 2023

General Information

- Officer Shiffman is progressing well through our Field Training Program and should be released from the program shortly.
- Our two new police vehicles have been received and are at the DPW with the mechanics installing all of the equipment.
- New part-time dispatcher Logan Girdlestone has begun her training.
- Officer Mitchell Schultz has been selected as the new EAHS SRO after a request from the School District.

Meetings:

In addition to Village Board, Town Board and Staff meetings I also attended the following:

- Monthly meeting with AMR representative and Chief LeBlanc
- Met with EASD Psychologist James Coleman and a group from BESMART and was requested to participate with them in a talk to parents on 10/23, regarding gun safety.
- 4 Pistol Permit Interview
- Attended 100 Club of Buffalo and Regional Traffic Alliance fund raisers

**East Aurora / Town of Aurora
Police Department
Interdepartmental Correspondence**

Special Events:

- Toy Town Classic Car Show – Well attended, no issues.

Training:

- Officers Foster and Specht attended LE Active Shooter Emergency Response Training – 2 days
- PSD Smith attended virtual training on “Responding to and investigating bomb threats and swatting hoax.
- Monthly Perma Training for Officers – Firearms Safety
- Dispatch PLS Training Pro Lesson 7 – Man self-reports a murder and mom finds son shot to death.
- Det. O’Brien attended Shooting Simulator training at the Ormsby Center and then trained Lt O’Hara on the simulator.
- Officer Spahn is progressing well at the training academy. He meets with Lt O’Hara weekly to give updates.

Erie County announces start of county-run ambulance service

Program begins on September 25 with initial coverage in Aurora, Boston, Colden, Collins, Eden, Holland, North Collins and Wales

ERIE COUNTY, NY – Erie County officials joined with local municipal leaders and fire department representatives on September 21 to announce the start of a county-run ambulance service.

Erie County Executive Mark C. Poloncarz, Commissioner of Health Dr. Gale Burstein and Deputy Commissioner of Health for Emergency Medical Services Gregory Gill, outlined the scope of this new program and presented newly acquired ambulance equipment in front of Colden Fire Company.

“In consultation with the first responder community and healthcare systems, we saw that Erie County could step in and fill in gaps that address transit time and the burdens on our local EMTs and paramedics,” **said Poloncarz**. “I thank the health department for designing this innovative program. It takes into account our community’s unique needs, and incorporates the valuable resources that already exist among our local volunteers and ambulance services.”

“Quality, responsive pre-hospital medical care is an important step to making sure people who suffer from a serious injury or acute illness attain the best outcomes possible,” **said Dr. Burstein**. “This service is a safety net for critical emergency response, especially during peak call volume hours and when special events exhaust local EMS resources. And starting Monday morning, this team will stand ready to assist.”

Erie County officials also introduced the program’s team – a director (who is also a paramedic), six paramedics and two advanced emergency medical technicians (AEMTs), with additional hiring planned. These employees completed two intensive weeks of training and skills assessment in addition to their existing certifications and coursework.

The Erie County Department of Health (ECDOH) acquired two ambulances and two fly cars so far, and three more ambulances are on order. These vehicles, which will be equipped with GPS locators for precise location awareness, will be based at Colden Fire Company initially, with more stations planned as more equipment becomes available.
