Re: Community Pool Park Playground

Approval is requested to use North East Recreation as the provider and installer of the new playground, Little Tikes PB22-73264, at Community Pool Park. North East Recreation's playground was chosen for multiple reasons.

1. It came in at the bid price of \$50,000.
2. It fits the current square footage available at the park without removing trees.
3. The playground is geared for 5- to 12-year-olds which is our predominant age range for our recreation programs held at community pool park.
4. It has multiple climbing structures that would replace the current pyramid web at the park.
5. It has multiple tactile and sensory accessories.
6. It has a color scheme that fit the aesthetic of the park.
7. All structures and accessories are open (nothing enclosed), so children are easily visible to parents.

- The Americans with Disabilities Act (ADA) may require that you make your park and/or playground accessible when viewed in its entirety. Please consult your local authority for more information on ADA requirements.
- For playground equipment to be considered accessible, accessible surfacing must be utilized in applicable areas.
- Although a particular playground design may not meet the appropriate number of ground level events, the actual playground may be in compliance when considering:
- All deck heights are measured from top of ground cover.
- Fall absorbing ground cover is required under and around the play structure.
- The minimum recommended fall zone around the entire play structure is shown. This zone is to be free of all obstructions and hazards (i.e. roots, rocks, border material, etc.).
- All post heights are identified by text showing the post lengths, i.e. 96 represents a 96 inch post.
- Supervision is required, appropriate for all children.

The play components identified in this plan are PRIMA certified. The use and layout of these components conform to the requirements of ASTM F1487.

- ASTM F1487 - Playground Equipment for Public Use.

WHEREAS, the Town of Aurora Justice Court desires to submit a grant application to the Justice Court Assistance Program (JCAP) for funding to: upgrade the court clerk's office door to a metal door; upgrade the court clerk's transaction window to tempered glass with bullet resistant film; upgrade the courtroom door by installing tempered glass with bullet resistant film; and purchase a new wall mounted 32" security monitor.

Now, therefore be it

RESOLVED, The Board of the Town of Aurora authorizes the Aurora Town Court to apply for a JCAP grant in the 2024-2025 grant cycle up to \$30,000.

RE: 2024-2025 JCAP Application

To Whom It May Concern,

The Aurora Town Court would like to request grant funding for a security upgrade to our court clerk's office door and courtroom door. We are requesting a new transaction door/window for the court clerk's office. The door would be made of metal and the transaction window would be made of tempered glass with a bullet resistant film replacing the current wooden door with single pane glass. The courtroom door upgrade would only involve removal of the glass pane and replacement with a tempered glass with bullet resistant film.

The Aurora Town Court would also like to request a new 32" security monitor to be mounted on the wall to replace the 17" desk top monitor currently in use. The new size and location would better assist the clerk's in viewing of the security area being monitored.

The project should take approximately 1-2 days.

Respectfully,

Maureen Kenney
Court Clerk

Re: Application for funding from the Justice Court Assistance Program
Date: October 9, 2024

The Town Court is requesting authorization from the Town Board to apply for funding from the Justice Court Assistance Program during the upcoming grant cycle. One required component of that application is a Resolution from the Town Board authorizing the Town Court to apply for this funding.

The Division of Professional and Court Services will not accept the court's application unless the Resolution incorporates one of the following two options EXACTLY as written below:

Option # 1

"The Board of the Town of Aurora authorizes the Aurora Town Court to apply for a JCAP grant in the 2024-25 grant cycle up to \$30,000.00."

Option # 2

"The Board of the Town of Aurora authorizes the Aurora Town Court to apply for a JCAP grant in the 2024-25 grant cycle up to \$ _____"

While the Resolution may include one or more "WHEREAS" clauses, it is essential that the "Be it RESOLVED" portion of the Town Board's resolution be worded exactly as one of the options indicated above (with the addition of the name of the Town inserted as shown above in both options and with the addition of the amount requested as shown above in the second option).

In addition, the Board Resolution must be certified.

The deadline for our application is Friday, October 11, 2024.

Thank you for your attention to this matter and for your help with the Court's application.

MEMO

TO: Supervisor Snyder and Town Board Members
FROM: Richard Miga, Assistant Code Enforcement Officer
DATE: September 23, 2024

The Building Department has accepted a Special Use permit application for 275 Bowen Road, by owners James and Donna Atkinson, for the request to use their unit above their attached garage as a Bed-N-Breakfast. The zoning district is R-1.

Town Code section 116-43 states that the Town Board shall refer the Special Use permit application to the Planning Commission for their review and recommendation. The Town Board has historically scheduled a public hearing after the Planning Board's recommendation has been received.

This is an Unlisted action for purposes of SEQR.
