Marty,

That is correct. There should be 2 TE9 requests in order to have a 20 MPH school zone.

1. Reduce posted statutory speed from 35 mph to 30 mph from Rte 16 to ½ mile west of Rte 16.
2. Establish a 20 mph school zone within the 1320 ft defined by Marty,

If you do not request the reduced speed from the current 35 mph, only a 25 mph school zone speed will be permitted.

Good afternoon Chuck. Thanks for sending the reminder over. Here is the PDF of the 1320 feet allowed for the school zone / 20 MPH zone. Gina can remind us about this but also we will need to have the 35 MPH changed to 30 MPH in order for the change to 20 MPH.

Afternoon Marty,

Could you send over a map (google earth marked up is fine) and physical description of where the 20mph speed zone will start and end when you have a minute.

We'll put this on the next meeting agenda, November 12.

Thank you

TOWN OF AURORA SENIOR CENTER
DIRECTOR'S REPORT
MONTH OF October 2024

The mission of the Town of Aurora Senior Center is to help older adults remain healthy and active through participation in recreational pursuits and to provide leadership and advocacy to ensure the availability of leisure and recreational opportunities for seniors.

ADMINISTRATION

On October 2nd Erie County celebrated the 50th Anniversary of the Stay Fit Dining program. Legislator Lorigo joined the celebration and presented our center with certificate. We served an extra special meal with 90 seniors in attendance.

Erie County provided the center with a new range and stream table from their APRA funds. Our old appliances were 23 years old and in need of replacement. A new dishwasher is still in the process.

On October 15th we held our annual Flu Shot Clinic. Holland Pharmacy, which is owned by East Aurora resident, Barbara Robbins, administered the clinic.

Rural Transit is looking for volunteers and to provide information to our seniors with an information table once a month.

We are offering a new program, Irish Set Dancing. Those participating enjoyed the music and dancing.

Arrests / Investigations

Outside of the arrests and reported crimes in the above chart, of note Officers also investigated the following:

- On Sunday, October 20th EAPD officers responded to the intersection of Main Street and Olean Road for a pedestrian that was struck by a mail delivery truck. The pedestrian, a 79-year-old Main Street resident, was airlifted to ECMC where she succumbed to her injuries. EAPD Accident Investigation Unit, with assistance from the ECSO Accident Investigation Unit conducted a thorough investigation and after consulting with the vehicular crimes' unit of the Erie County District Attorney's office, determined that no charges would be filed against the operator of the Mail delivery truck.

**East Aurora / Town of Aurora

- On Wednesday, October 30th, EAPD responded to the area of the Oakwood Avenue railroad viaduct for a report of a pedestrian struck by a train operated by the Buffalo and Pittsburgh Railroad Company. Officers arrived and determined that the person struck did not survive. EAPD detectives took over the investigation. The investigation is ongoing, however foul play is not suspected.

Miscellaneous

- The second of two new police interceptor Ford Explorers was placed into service.
