

FOR IMMEDIATE RELEASE:

West Falls NY Forward Public Workshop #2 and LPC Meeting #4

West Falls, NY, August 16, 2024 – The West Falls NY Forward (NYF) Local Planning Committee (LPC) wants to know your thoughts on how you would like to see the NYF program help revitalize the community. The LPC will be hosting Public Workshop #2 to gather insights and feedback from the community on the potential slate of projects to be funded through the program.

To provide your feedback and insights on the project submissions, please consider attending the West Falls NYF Public Workshop #2 on Wednesday, September 4th. The Workshop will be held in the Aurora Waldorf School (525 W Falls Rd, West Falls, NY 14170) from 6 - 8 pm. The public will be able to navigate through various stations, view the project submissions, and evaluate them. This workshop is an open house format with various engagement boards and planning exercises, so feel free to stop by at any time during those hours that work for you. Members of the consultant team will be on hand to address any questions or comments.

Prior to the Public Workshop, LPC Meeting #4 will be held on Tuesday, August 27th, 2024, at the West Falls Fire Hall (1864 Davis Rd, West Falls, NY, 14170) where initial project profiles for projects currently under consideration for funding will be presented to the LPC and the public as the LPC will start to make preliminary project slate determinations.

If you are unable to attend the Public Workshop event, there will be an online feedback form available up to two weeks after the event where you can provide your feedback and insights on potential projects. For more information on the West Falls NYF program and to access the online feedback form, visit <https://www.westfallsnyforward.com/>

About West Falls NY Forward (NYF): West Falls NY Forward is a community-driven initiative aimed at transforming the hamlet of West Falls in the Town of Aurora, New York. Led by the New York State Department of State, with assistance from Empire State Development, Homes and Community Renewal and the New York State Energy Research and Development Authority, the program works to accelerate and expand economic revitalization in smaller and rural downtowns. Supported by the NY Forward award, the Town of Aurora, and its residents, the program seeks to enhance the quality of life, create economic opportunities, and foster a vibrant downtown environment.
