At the November 12<sup>th</sup> meeting, Town Board members discussed the Planning Board's recommendation regarding the rezoning application of 397 Old Glenwood Rd as submitted by Conor Schneider. The Town Board is looking for more information from the Planning Board as to how the recommendation was made, ie if there was discussion surrounding the non-adopted Comprehensive Plan, consideration of neighboring C zones, or other comments. They have asked that such additional information be added to the recommendation.
