**LOCAL LAW INTRO 2-2016**  
**LOCAL LAW NO. \_\_\_\_-2016**

2A/5B

BE IT ENACTED BY THE TOWN BOARD OF THE TOWN OF AURORA AS FOLLOWS:

**SECTION 1. TITLE.**

This Local Law shall be known as Local Law No. \_\_\_\_-2016 and be titled “Amendment To Local Law No. 2-2015 of the Code of the Town of Aurora” to extend the period of a moratorium in regard to the development or subdivision of land that lacks required road frontage in the Town of Aurora.

**SECTION 2. PURPOSE AND INTENT.**

The purpose of this Local Law is to amend Local Law No. 2-2015 of the Code of the Town of Aurora to extend the period of a moratorium in regard to the development or subdivision of land that lacks required road frontage in the Town of Aurora.

**SECTION 3. AMENDMENT.**

Local Law No. 2-2015 is hereby amended to read as follows:

The Town Board of the Town of Aurora currently has under review amendments to the Town Code in regard to the development or subdivision of land that lacks required road frontage in the Town of Aurora. Matters pertaining to division and development of land in open development areas within the Town show a need for suitable regulation under existing and clearly established standards in an effort to plan for and protect the health, safety and well being of the citizens of and property in the Town of Aurora. The existing provisions contained in Chapter 79 of the Town Code of the Town of Aurora may not create and meet such appropriate standards and controls to allow for a harmonious balance and to protect the health, safety and well being of the citizens and property in the Town of Aurora. The Town Board desires to review and address, in a careful manner, provisions relating thereto on a comprehensive and town wide basis and to amend and/or adopt appropriate provisions to achieve these purposes.

The Town Board of the Town of Aurora finds it prudent and necessary to enact an extension to a moratorium applicable to the development or subdivision of land that lacks required road frontage in the Town of Aurora. This moratorium extension is intended to ensure that no approvals for such land use application be granted or permitted until this Board can complete its planning studies and has had an opportunity to consider and enact appropriate amendments to the Code.

**SECTION 4. AUTHORITY.**

This Local Law is enacted pursuant to the provisions of the Town Law and the Municipal Home Rule Law of the State of New York.

SECTION 5. APPLICATION.

This Law shall apply to any and all applications for development or subdivision of land lacking required public road frontage within the Town.

SECTION 6. DURATION.

This Law shall be in effect for six months from and after its adoption.

SECTION 7. SCOPE.

During the effective period of this Local Law no Board or Agency of the Town shall accept, process, review, recommend or grant approval for development or subdivision of land lacking required public road frontage.

SECTION 8. EXISTING ACTIVITIES.

Any or all projects already approved or for which permits have been issued may be continued and shall not be affected by the terms and provisions of this Local Law.

SECTION 9. SEVERABILITY.

The invalidity of any word, section, clause, paragraph, sentence or part or provision of this Local Law shall not affect the validity of any other part of this Local Law which shall be in effect. This Local Law shall take effect immediately upon adoption by the Town Board of the Town of Aurora and filing with the Secretary of State.

SECTION 10. EFFECTIVE DATE.

This Local Law shall take effect immediately upon adoption by the Town Board of the Town of Aurora and filing with the Secretary of State.

OF AURORA, NEW YORK, ADOPTED APRIL 11, 2016,  
CONCERNING THE APPLICATION TO THE STATE  
COMPTROLLER FOR THE APPROVAL OF THE TOWN  
OF AURORA MASTER WATER IMPROVEMENT AREA,  
IN SAID TOWN.**

WHEREAS, the Town Board of the Town of Aurora (herein called “Town Board” and “Town”, respectively), in the County of Erie, New York, has, pursuant to Town Law Article 12-C, caused GHD (the “Engineer”), competent engineers duly licensed by the State of New York, to prepare a map, plan and report for the establishment of the Master Water Improvement Area (the “Master Water Improvement Area”); and

WHEREAS, such map, plan and report is on file at the office of the Town Clerk, and available for public inspection at said location; and

WHEREAS, it is the intention of the Town Board that the proposed establishment of the Master Water Improvement Area will include all the improvements necessary to facilitate the transfer of water service to the Erie County Water Authority at a future date; and

WHEREAS, such water system improvements project will generally consist of the installation of approximately 8,500 lineal feet of 8-inch waterline, hydro-pneumatic pump station improvements, water storage tank improvements, installation of a new master meter, and installation of approximately 215 radio read meters to replace non-radio meters, as well as other such improvements as more fully identified in such map, plan and report referred to above, all of the forgoing to include all necessary site work, equipment, apparatus and other improvements and costs incidental thereto and in connection with the financing thereof (collectively, the "Improvement"); and

WHEREAS, the Engineer has estimated the total cost of the Improvement to be in an estimated maximum amount of \$2,750,000; and

WHEREAS, the estimated maximum amount proposed to be expended for the construction of the Master Water Improvement Area shall be financed by the issuance of serial bonds of the Town in an aggregate amount not to exceed \$2,750,000, said amount to be offset by any federal, state, county and/or local funds, and unless paid from other sources or charges, the costs of said establishment shall be paid by the assessment, levy and collection of special assessments from the several lots and parcels of land within the proposed Master Water Improvement Area, which the Town Board shall determine and specify to be especially benefited thereby, so much upon and from each as shall be in just proportion to the amount of benefit conferred upon the same, to pay the principal of and interest on such bonds or notes as the same shall become due and payable, except as provided by law; and be it

WHEREAS, in furtherance of this important Town project, the Town Supervisor, assisted by engineers for the Town, the Town Attorney, and the Town's Bond Counsel, has prepared an application to the Office of the New York State Comptroller for approval of the creation of the Master Water Improvement Area in the Town;

NOW, THEREFORE, BE IT RESOLVED BY THE TOWN BOARD OF THE TOWN OF AURORA, as follows:

1. That the attached application for permission of the State Comptroller was prepared at the direction of the Town Board.
2. That the Town Board believes the contents of the application to be accurate in all material respects.
3. That the Town Board has determined that the proposed Master Water Improvement Area, for which permission is requested, is in the public interest and will not constitute an undue burden on the properties which will bear the cost thereof.
4. That the Town Board authorizes the Town Supervisor to finalize and submit such application in substantially the attached form.
5. This Resolution and Order shall take effect immediately.

MEMO

TO: SUPERVISOR JAMES BACH & TOWN BOARD MEMBERS

FROM: DONNA BODEKOR, SENIOR CITIZEN RECREATION LEADER

DATE: March 29, 2016

I am asking the Town Board to accept a donation of \$480.00 in the memory of Robert Davidson. The family requested memorials be made to the senior center and that the money be used for something to benefit the seniors. We are looking at a small weight bench for the exercise room and a new TV for our mobile cart. The current TV was purchased in 2003 and is having issues.

To: Town Board Members

I respectfully request the Town Board approve of the purchase of Stone and Blacktop as needed for the Southside Municipal Center parking lot reconstruction. This will be paid for with funding from the Project Bond.

These will be purchased at Countyline Stone Inc. off of the 2016 Erie County Summer Materials bid book. Prices as follows are all quoted per ton:

**Stone**  
2" Crusher Stone- \$9.40  
#1 Clean Stone- \$14.25  
#2 Clean Stone- \$13.25

**Blacktop**  
Type 3 Binder- \$52.70  
Type 7 Top- \$59.70

Sincerely,

David M. Gunner  
Superintendent of Highways

To: Town Board Members

I respectfully request the Town Board approve of the hiring of American Paving & Excavating to perform the paving at the Southside Municipal Center they will provide the following equipment at a daily rate:

- Asphalt paver with operator and screed man- \$2880.00
- 10 ton roller with operator- \$1450.00
- 3-5 ton roller with operator- \$1400.00

These prices are from the 2016 Erie County Summer Highway Maintenance Bid book. American Paving has agreed to be available on call as needed to the town for these prices. It will be paid for out of the project bond.

Sincerely,

A handwritten signature in black ink, appearing to read "David M. Gunner".

To: The Town Board

The current provider of rugs and mats for the Senior Center and the Highway Department office is Cintas (they took over when Coyne went bankrupt). Our service agreement with them expires this month. The new service contract is for 60 months, which is typical for this industry. Please see the attached quotes from Unifirst Corporation and Ameripride Services Inc. I was unable to obtain a new quote from Cintas, so I used prices from their last invoice and their service contract to determine what our costs would be. These prices reflect the addition of a scraper mat at both locations and an additional 3x10 rug for the Senior Center, to replace an old rug that we own. Donna and I recommend going with Unifirst Corporation because they have the lowest overall prices and their rugs appear to be of high quality. Please see the totals below:

Unifirst Corporation: bimonthly- \$59.4 with a 5% or CPI yearly increase (lessor)  
Ameripride Service Inc.: bimonthly-\$81.2 with a 6% yearly increase  
Cintas: bimonthly-\$137.4

Thank you

To: Town Board Members

I respectfully request the Town Board approve of the hiring of Union Concrete Construction for wood grinding at the rate of \$385 per hour not to exceed \$5000.00 that was budgeted in line SR 8189.200. I have attached the Erie county bid award that this falls under.

Union Concrete will be doing this project sometime this spring. We will be making the mulch created by the wood chipper available for Town of Aurora residents.

Sincerely,

A handwritten signature in black ink, appearing to be "D. Gunner", written over a large, loopy flourish.

Re: New program

Approval is requested to offer a new program titled Adult Zumba Class. The class will be instructed by Lisa Brown a licensed Zumba fitness instructor. We are always excited to offer a new program that inspires adult to get out and exercise!

The program flier and budget is attached.

Town of Aurora Parks & Recreation

# Adult ZUMBA Class

Zumba is a dance fitness class. It originated in Columbia. It takes rhythms from all over the world and combines them with some traditional fitness moves. Intensity levels will vary which can challenge the beginning and experienced exerciser. Songs repeat the same move over and over, giving everyone a chance to master them. We always end with a cool-down and stretch. Zumba is a fun workout choice as the music moves you!
