Dear Senior Center Members,

First I would like to thank everyone who paid our nonresident fee last year. This year the town board has decided to raise the fee for membership to \$30.00 per year. The fees help offset the cost of expenses at the center. As many of you know our center is funded by the Town of Aurora. We are fortunate to have a great facility that is open to both Town of Aurora residents and residents of other communities. We offer many programs, including those that focus on the continued health of all seniors and the University Express program. Residents of the Town of Aurora (including parts of West Falls, South Wales and the Village of East Aurora) will continue with no charge. Remember this breaks down to about \$.57 per week, which is an outstanding value. You certainly cannot join a gym for that amount. Nonresident members who attend only for our lunch will not be charged as this is a program sponsored by Erie County Senior Services, but they may contribute if they wish.

Collection will be during this December and January or when registering for the first time. Checks will be made payable to the Town of Aurora. Please return the tear off at the bottom of my letter with your check or cash payment. If you have any questions please call the center at 652-7934. If this presents an extreme financial hardship please see me.

Sincerely,

*Donna Bodekor*

**Subject:** Proclamation Request

Dear Mayor Bach:

We are respectfully requesting that you consider joining city and county leaders across the country in officially recognizing January 21-27, 2018 as School Choice Week in Town of Aurora.

Issuing a proclamation provides an opportunity to shine a positive spotlight on the K-12 education options available for children and families in Town of Aurora.

Last year, more than 684 mayors and county leaders, along with 30 governors, the unanimous United States Senate, and the President, issued proclamations recognizing National School Choice Week, which in 2018 will feature more than 31,000 events across America.

National School Choice Week is entirely nonpolitical and nonpartisan, and we do not advocate for or against any legislation. Our goal is simply to raise awareness, among parents, of the public and nonpublic K-12 education options available to their children.

Please let me know if you will be able to issue this proclamation and help us raise awareness of the importance of opportunity in education. I greatly appreciate your consideration. We have provided both a Word and .PDF proclamation template on our website at:

Also, for your convenience, we have provided the suggested proclamation language below.

Best,  
Andrew
