2331 Lapham Rd. Project

Dear Planning Board,

My wife and I are seeking a variance to build on our flag lot on Lapham Road. The property has been in my family for four generations where it started has a farm. After being handed down through the generations, we purchased the land from my parents in 2016. It was always my grandparent's dream to build a house on the land. Unfortunately, they never had the opportunity to build so I want to carry out their dreams. The lot is directly behind my parents house and is next to the 44 acre parcel that they also own. On that 44 acres I have a hobby farm where I produce maple syrup, and have intentions to farm the rest of the land. I want to raise my family on the land where I grew up. Please consider our application as the parcel was already divided into 2 acres with no frontage prior to us purchasing the land.

Thank You,

Eric and Rachel Brown

RESOLUTION OPPOSSING GOV. CUOMO BUDGET AMENDMENT

Whereas: On February 21, 2020, Governor Cuomo submitted a 30 day budget amendment entitled "Accelerated renewable energy growth and community benefit act" for the purposes of meeting the Governor's goals for renewable energy, and

Whereas: This amendment would establish a new system for permitting and siting renewable projects, setting aside the current "Article 10 Siting Board" process, and

Whereas: Permitting will now be under the jurisdiction of a new entity – Office of Renewable Energy Siting (ORES), and

Whereas: the powers assigned to ORES will totally usurp and diminish local home rule, local zoning codes, local planning and Local Waterfront Revitalization Plans when permitting and siting renewable energy projects, and

Whereas: ORES will now have the power to

- Make available to developers "build – ready" sites
- Develop "uniform permitting standards"
- "coordinate, approve, evaluate, issue, amend, transfer and enforce siting permits"
- Limit the ability of local governments to raise objections to proposed projects
- Direct local appeals to ORES decisions to litigation through the Article 78 process
- Prohibit local governments from requiring any additional approvals or permits

Whereas: By filling this action as a 30 day budget amendment, is ignoring and bypassing the legislative process of formulating policy through public input, public hearings and public debate in favor of a rushed and secretive process, and

Whereas: This amendment represents a blatant attempt to usurp local government's historical and constitutionally power of home rule in the areas of planning, zoning and land use,

Now therefore be it resolved that the _____ does herby go on record strongly opposing this Governor's attempt to dilute and usurp the roles and powers of local governments in New York State, and

Further be it resolved that _____ Urges State Legislators to oppose this amendment and have it removed from the final budget document and,

Further be it resolved that a copy of this resolution be transmitted to the Governor, Lieutenant Governor, Speaker of the Assembly and Majority Leader of the Senate and Western New York Delegation.

RESOLUTION FOR PURCHASE OF REAL PROPERTY

WHEREAS, the Town of Aurora is in the process of completing construction of a new Town Hall adjacent to the Aurora Senior Center, and

WHEREAS, upon review of the use of the buildings by residents, community groups and Town personnel, it is deemed that the existing parking area may be inadequate to serve the new Town Hall and the existing Senior Center, and

WHEREAS, property located at 113 King Street in the Village of East Aurora adjoins the South boundary of the existing parking lot, and which if acquired by the Town would provide additional parking area and would provide for a safer entrance/exit on King Street, and

WHEREAS, the Town has obtained two property appraisals of the subject property located at 113 King Street with an estimated fair market value of \$140,000, and

WHEREAS, NY Open Meeting law §105(l)(h) authorizes the Town to enter into Executive Session to consider the acquisition of real property, the value of which could substantially be affected by the unique location of the property and its value to the continuing development of the municipal campus of the Town Hall and Senior Center, and

WHEREAS, the Town has negotiated with the owner of 113 King Street and agreed to a purchase price based on the two property appraisals.

NOW, THEREFORE, be it

RESOLVED, the Town Board does find that the purchase of 113 King Street in the Village of East Aurora will result in additional parking area for the new Town Hall and Senior Center and a safer entrance and exit on King Street, and be it further

RESOLVED, that the Town Attorney is direct to proceed with the acquisition of the property by the Town of Aurora in accordance with the agreed upon Real Estate Contract with the Sellers.

James J. Bach, Supervisor
Town of Aurora
300 Glead Avenue
East Aurora, New York 14052

Dear Supervisor Bach:

When the Town of Aurora issued certain bonds and notes with an Official Statement, it agreed to disclose information on a periodic and continuing basis to the investing public for the life of the issue, pursuant to the provisions of Securities and Exchange Commission (SEC) Rule 15c2-12, as amended (the "Rule"). This information is described in the Disclosure Undertaking section of the issue's Official Statement.

Municipal Solutions, Inc. is submitting this proposal to the Town to assist with Continuing Disclosure filings and regulations pursuant to the Rule, which supersedes any prior disclosure filing currently in place. This information must be disclosed through filings on the Municipal Securities Rulemaking Board's (MSRB) Electronic Municipal Market Access (EMMA) system, the Nationally Recognized Municipal Securities Information Repository (NRMSIR), in the following manners:

- **Limited Disclosure** – Annual Financial Statement filings are required for original Serial Bond issues over \$1,000,000 sold with an Official Statement.
- **Material Event Notice** – Filings are required anytime a material event occurs for any Bond Anticipation Note or Serial Bond issue sold with an Official Statement, whether over or under \$1,000,000. A listing of such Material Events can be found in each issue's Official Statement. These filings MUST occur with ten (10) days of such event per the Rule.
- **Full Disclosure** – Statements of Annual Financial Information and Operating Data are required to be prepared and filed for original bond issues over \$1,000,000 prepared with an Official Statement, if at the time of issuance, the Town had \$10,000,000 or more of outstanding debt.

If a municipality fails to complete the required filings on the MSRB EMMA website, it is very unlikely that underwriters will bid on any future borrowings due to potential fines by the Securities Exchange Commission.

The following filings can be completed by Municipal Solutions, Inc. as needed. Please review and indicate your preferences as to whether or not you wish Municipal Solutions, Inc. to post the required filings to EMMA on your behalf.

BOYS & GIRLS CLUB
OF EAST AURORA

February 19, 2020

Town Board
Town of Aurora
300 Gleed Avenue
East Aurora, NY 14052

Dear Town Board,

2019 was a great year for the Boys & Girls Club of East Aurora! The primary reason it was so successful is you. We appreciate you financially supporting our youth programs. We are grateful for your support to not only the Club but the youth we serve.

Enclosed is the Boys & Girls Club of East Aurora's 2019 Report on Giving. It highlights how your donation offered a fun and safe place for children. You gave life-changing programs to help kids reach their goals. You also provided caring mentors and opportunities to develop skills so youth can achieve a great future.

Please feel free to stop by our Club anytime to see your gift in action. Also, we are planning our annual donor celebration breakfast in May. More details to come! We hope you can join us to learn more about the Club and the youth you are helping.

Again, thank you for all you do for our kids.

Sincerely,

Gary Schutrum
Chief Executive Officer
