TOWN OF AURORA SENIOR CENTER
DIRECTOR'S REPORT
MONTH OF AUGUST 2013

The mission of the Town of Aurora Senior Center is to help older adults remain healthy and active through participation in recreational pursuits and to provide leadership and advocacy to ensure the availability of leisure and recreational opportunities for seniors.

ADMINISTRATIVE:

We held our quarterly director's meeting on August 6th at our center. Commissioner, Randy Hoak, joined us to explain the reorganization of his department. A new position has been created to oversee the Nutritional Lunch program. Sharon Thayer's position as director has been eliminated. Mike Saccamanno, Assistant Director, will continue in his position. We are all pleased that a change is being made. Mike is a good communicator and knows the program inside out. We hope to see the menus and meals improve. His office is also providing one hour seminars on the affects of the Affordable Care Act on people enrolled in Medicare. They offer a nonbiased view and will answer questions.

On August the Department of Senior Services handed out the Farmers Markets coupons as they have in the past. Seniors are given coupons valued at \$20, to purchase produce at their neighborhood farmers markets. The senior must meet income levels to qualify. Just a reminder we are holding our Annual Open House on Sept. 9th from 9-12noon.

DIRECTOR'S REPORT

MONTH OF: July and August 2013

7D

ADMINISTRATIVE:

Reports:

- We now have 8,151 members registered in the recreation system
- We had 896 individual program registrations in the months of July and August
- We generated \$19,371 in July and \$25,069 in August totaling \$44,349
- Credit card purchases totaled 57% (89% on-line, 11% office)

- 2012 to 2013 comparison:
 - Total sales from 1/1/12 – 8/30/12 \$190,692
 - Total sales from 1/1/13 – 8/30/13 \$213,357

The biggest increases in revenue came in Tennis, EAST, and Hamlin Day Camp. Program participation across the board was about the same as the prior year or up slightly. Overall, the summer programs were well attended and the staff was excellent. It was a rainy summer, so luckily we had partnered with the Boys and Girls Club to use the gym for tennis, so we did not miss a day. The Hamlin Day Camp Staff was creative in finding worthwhile activities in the park recreation building on rainy days, and they played in the rain whenever possible. The swim instructors were especially good natured, often teaching in less than ideal conditions in the mornings.

The pool opened on June 8th to the delight of many patrons, although the weather has been uncooperative almost the entire season. Many rainy days resulted in a lower membership than last year. By the end of summer, there were 1672 members to the pool, compared to last year there were 1899, a decrease of 227 members. The daily receipts for this summer were \$7,628 compared to last year \$9,538. Weather obviously makes all the difference in the pool revenue. We budgeted \$45,000 for revenue and ended up with \$45,742, so we did at least make budget projections.

The new tennis program proved to be very successful. Last year we had a total of 85 players registered for the summer, and this year we ended with 197 registrations, an increase of 112 players. The grant money this year of \$3500 helped to purchase all new equipment and support staff salaries. With the momentum from this past summer, the program should be able to fund itself next summer.

The Backyard Bash was well attended this year with 200-300 people at each concert. The Boys and Girls Club donated an old stage to the Town, and that worked out quite nicely. However, it takes several hours to set up and then take down, so it is only useful next year if the Village allows the stage to be left standing in the parking lot for the duration of the 6-7 week series.

PARKS:

The parks department continued with normal maintenance. Painting the pool buildings continued sporadically throughout the summer. The trim is not yet completed. Maybe in the fall.
