**TOWN OF AURORA SENIOR CENTER
DIRECTOR'S REPORT
MONTH OF January 2021**

The mission of the Town of Aurora Senior Center is to help older adults remain healthy and active through participation in recreational pursuits and to provide leadership and advocacy to ensure the availability of leisure and recreational opportunities for seniors.

ADMINISTRATION:

I attended a Zoom meeting with the Older Adult Network from Erie County Senior Services on Jan. 21st. We continue to talk about the pressing issues with COVID-19 and the fallout. They have been incorporating a speaker monthly relating to a topic of importance. Many times the focus is on the mental health of our senior population. We have also talked about continuing the frozen meal distribution in conjunction with in-house lunch. It may present a new challenge for the kitchen but our staff with rise to the challenge.
