The Cire Sports Story; East Aurora Connection

Our family moved to East Aurora in 2012 and we quickly immersed ourselves in the community. As a soccer and hockey parent as well as a volunteer soccer coach with Aurora Arsenal and fundraiser for the Aurora Ice Association, we have a deep connection to both local sports and the community.

I was laid off in late 2020 due to the covid pandemic. I began the process of exploring what was next, and how I could best utilize the many skills and talents I have developed over 20 years working in the commercial real estate and economic development industries. After much introspection, I kept coming back to my passion for youth sports and the love of our local community. From that, CIRE Sports was formed to offer high quality youth sports events, while also providing an economic boost to the local community. The economic impact of youth sports events cannot be overstated. I'm hopeful that the planned ToyTown Classic Series of events will continue to build on the strong foundation of youth sports in East Aurora and eventually join the ranks of Borderland, Carolcade and the EA Music Fest as iconic local events.

ToyTown Classic Series

A central focus of Cire Sports will be events within and that benefit the local East Aurora Community. I plan on partnering with local businesses at every opportunity. Utilizing the storied ToyTown moniker, The ToyTown Classic Series of events looks to play off of the innovative history and vibrancy of East Aurora to draw a whole new category of tourists to town, youth sports families. Currently events are planned in soccer, lacrosse and ice hockey (at the Classic Rink) with the potential for additional events to be added in the future.

COVID-19 Policy

To ensure as safe and healthy of an event as possible, the following protocols and guidelines are in place in response to the COVID-19 pandemic. All individuals (including all players, parents, coaches, referees, and vendors) are responsible for following these guidelines. Our goal is to mitigate the potential for transmission of COVID-19 at any events, which requires full cooperation among all individuals. These protocols and guidelines will continue to be updated in accordance with updated guidelines and recommendations issued by Erie County and New York State.

Individual Diligence and Assumption of Risk

All participants and attendees are participating and attending at will. By participating or attending, participants and attendees acknowledge they are feeling healthy, do not have a fever (temperature over 100.4 degrees) and can honestly answer "NO" to the CDC screening questions "Have you":

- (1) experienced COVID-19 symptoms in past 14 days
- (2) received a positive COVID-19 test in past 14 days
- (3) been in close or proximate contact with a confirmed or suspected COVID-19 case in the past 14 days.

Please Self-monitor your health symptoms. If you experience any COVID-19 related symptoms or answered "yes" to the above questions be sure to self-quarantine and follow all County and State health-related protocols.

Players, Coaches and Games

- Players and Coaches should wear masks until allowed onto the field for their scheduled game. Coaches should wear masks for the entirety of the game.
- Players and coaches will have a designated side of the field that only Players and Coaches will be allowed, no spectators will be allowed on that side of the field.
- Players and Coaches will be allowed onto the field upon the completion of any previous game and once all other players and coaches have cleared the area. In no event should coaches and players be on the field more than 15 minutes prior to their scheduled start time session or game time.
- Coaches should work to the best of their abilities to maintain 6-foot distance between individual players when on the bench area unless the core activity (i.e playing in the game) requires a shorter distance.
- Players will be asked to bring their own water bottles.

- When directly engaging in an on-field activity ,it is recommended, but not required, that players wear masks Coaches,trainers,and/or other individuals who are not directly engaged inactivity are required to wear face coverings at all times.
- All players and coaches must exit the field five (5) minutes following the end of their training game. All players and coaches should be masked while entering and exiting the playing area.
- No pre or post game handshakes permitted. Players and Teams are encouraged to conduct a post game " Good Game Wave" from a safe distance in lieu of traditional post game handshakes.

Spectators

Two (2) spectators per player, regardless of age, are permitted on tournament grounds (including parking areas). Siblings, Grandparents and friends of any age, are counted in a player's spectator count. All spectators must remain masked and follow all proper social distancing guidelines (currently 6') at all times while on tournament grounds.

Travel

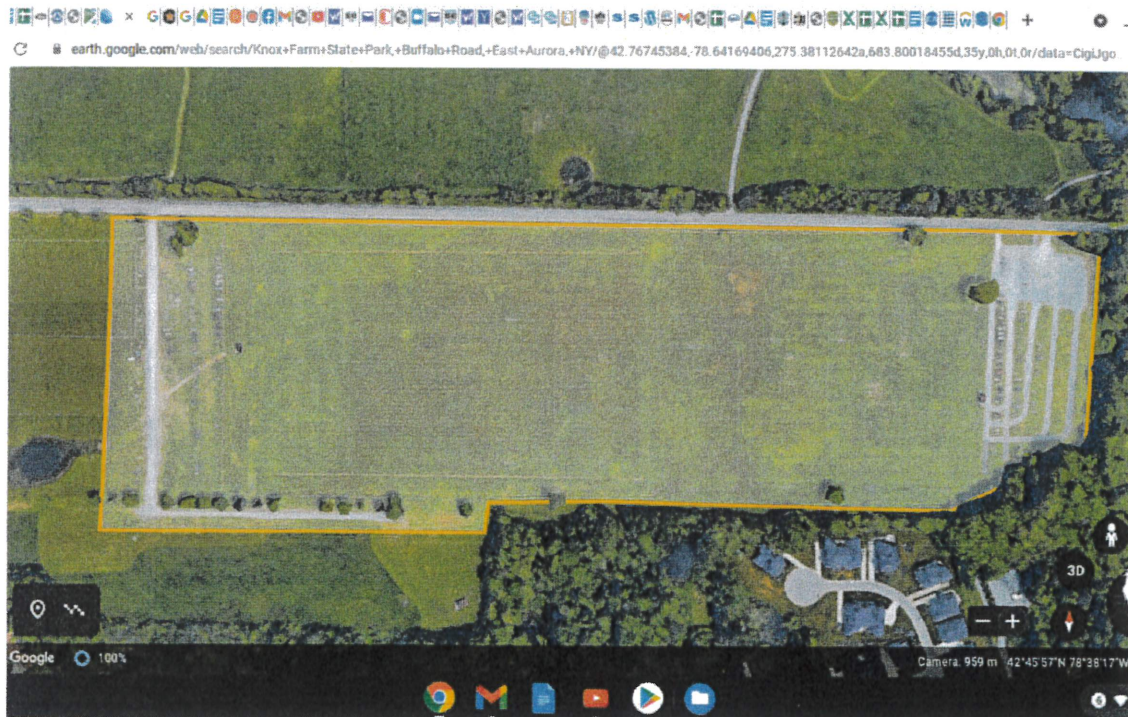

New York State and Erie County currently have travel restrictions in place for travel outside of one's current Covid Region or to a contiguous Covid Region. East Aurora NY is in the WNY Region, therefore travel from anywhere other than the WNY Region or the Finger Lakes region is subject to travel restrictions, including additional testing requirements (Please see <https://www2.erie.gov/health/index.php?q=coronavirus> for information on travel outside of one's covid district). Travel from outside of New York State for athletic events is currently prohibited.

Participants, Spectators, and Parking

Toytown Classic Soccer Tournament (June 25-27, 2021)- Exact tournament participation is not yet discernible. With the current covid restrictions, we're getting a late start on the approval and event marketing process. We anticipate that the 2021 inaugural event would be smaller than

future events. At this point we would anticipate maximum participation to be a total of 80 teams in the u9 (2012) through u13 (2008) age groups including both boys and girls teams. Assuming a maximum of 80 teams with an average of 48 people per team (players, coaches, and 2 spectators per player), that's 3,840 total people over the course of the weekend. Not everybody will be on site at one time however. At any given time we'd likely have 10 games being played at a time. That equates to approximately 960 people on site at a given time. Many coaches, players, and spectators will travel together. If we assume 3 people per car, that would equate to approximately 320 car parks. The Town of Aurora DPW has told me that they have had upwards of 1,000 car parks on site utilizing both the east and west parking areas. We believe we will be well covered for parking. DPW has offered personnel to help manage parking and CIRE Sports will also have staff on hand to act as parking control. These estimates are based on maximum tournament participation, and will likely be less for the first year.

Toytown Classic Lacrosse Tournament (August 13-15, 2021)- We anticipate similar participation and parking numbers for the Lacrosse event.

LOCAL LAW NO. ____-2021

A LOCAL LAW IMPOSING A SIX-MONTH MORATORIUM ON ZONING DISTRICTS

B-1, B-2 and I.

BE IT ENACTED BY THE TOWN BOARD OF THE TOWN OF AURORA AS FOLLOWS:

SECTION 1. TITLE

This Local Law is referred to as the “Local Law Imposing Six-Month Moratorium on Zoning Districts B-1, B-2 and I.”

SECTION 2. PURPOSE

The purpose of this Local Law is to protect the public health, safety, and welfare of Town of Aurora residents by assuring that any future developments comply with the general community plan and to preserve the rural character of the Town of Aurora. The Town Board intends to address, in a careful manner, the uses set forth in the Zoning Code for Districts B-1, B-2 and I on a comprehensive Town-wide basis rather than on an ad hoc basis, and to adopt new Land Use Local Law provisions to specifically provide for uses within the Districts of B-1, B-2 and I and/or within new zones.

SECTION 2. AUTHORITY

This Local Law is enacted under the provisions of [Article 16 of the New York Town Law and Section 10 of the New York Municipal Home Rule Law – to check.]

SECTION 3. MORATORIUM AND DURATION

For a period of six months following the date of adoption of this Local Law, the Code Enforcement Officer shall not grant any building permit for construction that would result in a non-

residential commercial improvement either in the form of an addition to an existing structure or the construction of a new structure with the size of 2,500 square feet or larger within Districts B-1, B-2 and I.

For a period of six months following the date of adoption of this Local Law, the Town Board shall not accept any special use permit application that would result in a non-residential commercial improvement either in the form of an addition to an existing structure or the construction of a new structure with the size of 2,500 square feet or larger within Districts B-1, B-2 and I.

For a period of six months following the adoption of this Local Law, the Town Zoning Board of Appeals shall not grant any variance or other permit for the use of a Special Use Permit within the Districts of B-1, B-2 and I which has not been applied for as of the effective date of this Local Law.

The provisions of this Local Law do not apply to site plans, special use permits, and building permits under review by the Town Board as of the effective date of this Local Law.

The Town Board reserves the right to direct the Building Inspector/Code Enforcement Officer to revoke or rescind any Building Permits or Certificates of Occupancy issued in violation of this Local Law.

SECTION 4. EXTENSION OF MORATORIUM

This moratorium may be extended for up to two additional periods of up to three months each by resolution of the Town Board upon a finding of necessity for such extension.

SECTION 5. PENALTIES

Any person, firm or corporation that establishes, places, constructs, enlarges or erects any buildings or use requiring a building permit in violation of the provisions of this Local Law or that violate any provisions of this Local Law is subject to:

- a. Penalties as may otherwise be provided within the Codes of the Town of Aurora for violations;

- b. Injunctive relief in favor of the Town of Aurora to cease any and all such actions which conflict with this Local Law and, if necessary, to remove any construction that may have taken place in violation of this Local Law.

SECTION 6. VALIDITY

The invalidity of any provision of this Local Law shall not affect the validity of any other provision of this Local Law that can be given effect without such invalid provision.

SECTION 7. HARDSHIP

A. Should any owner of property affected by this Local Law suffer an unnecessary hardship in the way of carrying out the strict letter of this Local Law, then the owner of said property may apply to the Town Board, in writing, for a variation from strict compliance with this Local Law upon submission of proof of such unnecessary hardship. For the purposes of this Local Law, unnecessary hardship shall not be the mere delay in being permitted to make an application or waiting for a decision on the application for a variance, special permit, site plan, subdivision or other permit during the period of the moratorium imposed by this Local Law.

B. Procedure. Upon submission of a written application to the Town Clerk by the property owner seeking a variation of this Local Law the Town Board shall, within thirty (30) days of receipt of said application, schedule a Public Hearing on said application upon five (5) days written notice in the official newspaper of the Town. At said Public Hearing, the property owner and any other parties wishing to present evidence with regard to the application shall have an opportunity to be heard, and the Town Board shall, within fifteen (15) days of the close of said Public Hearing, render its decision by duly adopted resolution either granting, modifying, or denying the application for a variance from the strict requirements of this Local Law. If the Town Board determines that a property owner will suffer an unnecessary hardship if this Local Law is strictly applied to a particular property then the

Town Board shall vary the application to this Local Law to the minimum extent necessary to provide the property owner relief from strict compliance with this Local Law.

SECTION 9. EFFECTIVE DATE

This Local Law shall take effect immediately upon filing with the Office of the New York State Secretary of State in accordance with §27 of the Municipal Home Rule Law.

TOWN OF AURORA SENIOR CENTER
DIRECTOR'S REPORT
MONTH OF February 2021

The mission of the Town of Aurora Senior Center is to help older adults remain healthy and active through participation in recreational pursuits and to provide leadership and advocacy to ensure the availability of leisure and recreational opportunities for seniors.

ADMINISTRATION:

I attended a Zoom meeting with the Live Well Erie Task Force from Erie County. We heard updates from Deputy County Executive, Maria Whyte, on COVID 19, also including housing, childcare, municipal aide, business grant, and school aide. She also talked about the Upward Mobility Grant. Dr. Willie Underwood, III, MD, gave a vaccine update.

Our Director's Zoom meeting was held on Feb. 11th. We discussed our reopening plans and the challenges everyone is experiencing. We have also talked about continuing the frozen meal distribution in conjunction with in-house lunch. Again this week we added 5 new participants to the frozen meal program. It may present a new challenge for the kitchen but our staff with rise to the challenge.

AFP was in to inspect our sprinkler system and fire extinguishers. We will be replacing some as they need to be updated.

We have finished planning our programs for the summer with the initial guidance given for COVID-19. Elaine and I are constantly checking and reaching out to the county for any new guidance. We are confident we will be able to run the vast majority of our programs safely while still having a lot of fun!

Our spring programs have been posted! We are excited to bring back our Afterschool camp for a spring session. This has already filled!

EAST continues to practice at UB for the remainder of March. After March we plan on taking a break during April and reassess our needs for spring and summer programming. We are certainly looking forward to getting back into the Community Pool!
