Whereas, the Aurora Town Board acknowledges the importance of parents and donor-conceived persons knowing the medical, educational and criminal felony conviction history of individuals who have donated reproductive tissue to a reproductive tissue bank for the purposes of an artificial insemination or assisted reproductive technology procedure and disseminating this history information to a recipient and donor-conceived person upon request upon request, if any; and,

Whereas, the Aurora Town Board further acknowledges knowing the medical, educational and criminal felony conviction history of a donor will provide recipients with the necessary information to make informed decisions regarding the process of artificial insemination or assisted reproductive technology procedure and for donor conceived persons to obtain essential medical information, which may reveal any genetic or mental health disorders; and,

Whereas, the Aurora Town Board finds that reproductive tissue banks, including semen banks, oocyte donation programs and embryo banks have a duty to collect and verify medical, educational and criminal felony conviction history information provided by donors on donors self-reported medical, educational and criminal felony conviction histories and during the donor screening processes and to keep detailed records of such for use by recipients and donor-conceived persons, if any, prior to a procedure and in the future,

Therefore be it resolved, the Aurora Town Board fully supports the passage of NYS Senate Bill S7602, sponsored by Senator Patrick M. Gallivan, and supports further efforts to insure both parents and donor conceived persons have access to verified medical, educational and criminal felony conviction histories for all donors.

NOTICE OF ADOPTION - 19 NYCRR Part 1203 Uniform Code and the Energy Code: Minimum Standards for Administration and Enforcement

NOTICE OF ADOPTION

**19 NYCRR Part 1203 Uniform Code and the Energy Code:
Minimum Standards for Administration and Enforcement
EFFECTIVE December 30, 2022**

The Department of State has filed a Notice of Adoption of a rule repealing and replacing Part 1203 of Title 19 of the New York Codes, Rules and Regulations. The Notice of Adoption will appear in the December 29, 2021 edition of the *State Register*. On and after December 29, 2021, the Notice of Adoption can be viewed on the Department of State's website at: <https://dos.ny.gov/state-register>.

The rule will become effective on December 30, 2022.

Background

Executive Law § 381(1) authorizes the Department of State to promulgate regulations establishing minimum standards for administration and enforcement of the Uniform Fire Prevention and Building Code (Uniform Code). Additionally, Energy Law § 11-107 provides that the Energy Code shall be administered and enforced in the manner prescribed by applicable local law or ordinance consistent with the standards and procedures adopted pursuant to § 381 of Executive Law.

Executive Law § 381(2) provides that local governments (cities, towns, and villages and, under some circumstances, counties) are required to administer and enforce the Uniform Code.

19 NYCRR Part 1203 contains the “minimum standards” established by the Department of State pursuant to Executive Law § 381(1). Part 1203 requires each local government that administers and enforces the Uniform Code and Energy Code to establish a code enforcement program and to include certain features within that program.

The Uniform Code and Energy Code were amended and became effective on May 12, 2020. Based on the new versions of the Uniform Code and Energy Code, corresponding changes were necessary to 19 NYCRR Part 1203 to coordinate these rules and regulations for administration and enforcement of the Uniform Code and Energy Code.

19 NYCRR Part 1203

Local governments will have until December 30, 2022 to update their code enforcement programs by local law, ordinance, or other appropriate regulation.

TOWN OF AURORA
TOWN CLERKS OFFICE

January 14, 2022

Dear Aurora Town Board,

Please accept this as my formal resignation from the Town of Aurora. I want you to know I am grateful for the opportunities and experiences I had while working at the Town of Aurora Recreation Department. It has been a sincere pleasure working with all of you and all of the staff in Recreation and at the Senior Center over the years.

It's a bittersweet feeling to leave a position that I have enjoyed for so many years. I really want to spend more time with my grandkids, traveling and enjoying some hobbies that I just haven't had time for in the past.

Please let me know if I can be of any help moving forward to make it a smooth transition.

My last day will be February 10, 2022. My first day of retirement will be February 11th.

I wish all of you and the Town all the best.

Thank you for everything,
Elaine Schiltz
