Re: EA Library masonry work

A Library Masonry Maintenance Repair Quote Criteria was drafted and sent to Beitz Masonry, Jack Rosenberg Masonry, Eric Lafferty Construction and Creative Concrete. The following bids were assembled:

Jack Rosenberg Masonry:	\$35,000
Beitz Masonry	\$15,275
Eric Lafferty Construction	\$14,600
Creative Concrete	\$9600

In addition to the specs given, a time frame of job completion by June 1, 2014, a written 5 year warranty for defects and the use of industry standard polyurethane sealant for use in stone to stone applications are required. Unfortunately, Mr. Lafferty will not be able to complete the work by June 1, 2014 and Creative Concrete refuses to give any warranty. Our recommendation is to award the contract to Beitz Masonry at the cost of \$15,275.

Re: Appointment recommendation

It is with great enthusiasm that I recommend Karney McNear to be appointed as the new Director of Recreation and Aquatics for the Town of Aurora, to replace retiring Director, Peggy Cooke. Highway Superintendent, David Gunner will manage the Parks Department.

Karney has been involved in swimming for over thirty-five years and has coached swimmers of all ages and levels, from toddler swim lessons to qualifying for Senior Nationals. His personal accomplishments as a competitive swimmer for twenty-five years reflect his knowledge of the sport, most notably a United States Olympic Trials qualifier, a full scholarship NCAA Division I swimmer, a two-time US National Champion, and a four-time All-American.

Karney is currently the pool manager of a multimillion-dollar aquatic facility, and teaches 11th grade American History, with a Master's Degree in Education with a minor in Physical Education. The combination of his education, certifications, business management, pool experience and positive work attitude will serve him well in this new position. Karney will move to East Aurora from Ft. Lauderdale, Florida with his wife Jana and their 3 young children.

Karney will begin work on June 9 at a recommended rate of \$52,000 annually and will work with Peggy for approximately a month to ensure a smooth transition. According to Erie County Personnel Department, this is a competitive Civil Service position and an exam will be posted sometime in the near future for the Director of Aquatics. It is my recommendation that he be appointed until such time as he is able to meet Civil Service requirements.

Re: Salary increase

After a considerable amount of internal departmental review, the position of Director of Parks and Recreation has been changed to Director of Recreation and Aquatics. The results of that review determined the need to realign the responsibilities of various positions within the department. It is my recommendation that Elaine Schiltz be assigned a wider range of responsibilities. Elaine has proven to be a great asset to town recreation programming, and will further the continued growth and quality of programming.

Therefore, approval is requested to increase the compensation of Elaine Schiltz, Recreation Supervisor in the amount of \$3,400 annually, beginning June 9, 2014.

Re: Seasonal Exterminating

Currently the Town has an agreement with Buffalo Exterminating for seasonal preventive treatments for ants, wasps, etc., at the Southside Municipal Center and the West Falls Library/Community Center. This year the Senior Center is experiencing an influx of pavement ants. Since this location is the site of the County lunch program, it is imperative that there are no insects at the Center.

Please approve the addition of season exterminating, to be performed by Buffalo Exterminating, at the Senior Center. This equates to 3 or 4 treatments at a cost of \$230 per treatment.

**TOWN OF AURORA SENIOR CENTER
DIRECTOR'S REPORT
MONTH OF MARCH 2014**

The mission of the Town of Aurora Senior Center is to help older adults remain healthy and active through participation in recreational pursuits and to provide leadership and advocacy to ensure the availability of leisure and recreational opportunities for seniors.

ADMINISTRATIVE:

The AARP & Vita tax preparers will finish April 3rd. The program has been running very smoothly this year.

I was happy to join Erie County Executive Mark Poloncarz and Commissioner Randy Hoak for a picture with our new Going Places Van. Everyone remarked of the need for more transportation for our seniors.

Erie County Dietician, Nikki Kmincinski, is presenting a 6 week healthy living program starting on April 22nd. The program is called Fit & Lean in 2014 and a limit of 20 for the class. We have filled our class with 7 on the waiting list. Nikki is very knowledgeable and will focus on the entire person. She is also training other dieticians on presenting the program countywide.
