MEMO

To: Town Board
From: Kathleen Moffat
Re: Computer Purchase
Date: April 16, 2014

Support for Windows XP ended April 8, 2014. There are currently 14 computers remaining that are running Windows XP throughout Town Offices. Nick Fodero, our IT Technician, recommends replacing these computers vs. upgrading, which will be costly and may not be practical due to the age of some of the computers. I am requesting Town Board approval to replace the computers at a cost of \$724.00 per unit. (Quote attached). Nick obtained the quote from the State Bid List and, after reviewing the list of components, considers this to be an excellent price.

MEMO

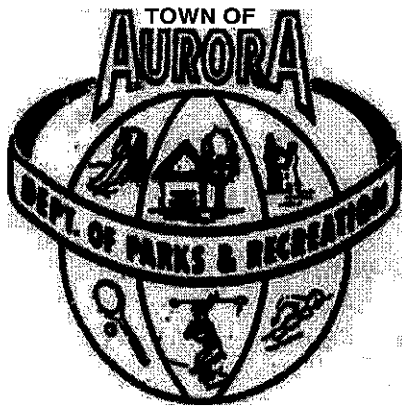

TO: Jim Bach and Town Board Members

FROM: Don Owens, Chairman, Planning and Conservation Board, and David Gunner,
Highway Superintendent

DATE: April 7, 2014

=====

We would like to be put on the agenda for the next work session of the Town Board scheduled for April 22nd to discuss a general proposal for reconfiguration of the drainage ditches on Reading Road, and would like to present the idea to the Town Board. This has been discussed with the Joint Planning/Conservation Board, and a motion was passed to recommend support for this re-design effort to the Town Board. We hope to have an opportunity to discuss this beneficial program with you.

Re: Request for a fundraiser

Dave Robinson would like approval to conduct a walk as a fundraiser for the 'Great Water Walk' on Sunday, August 10. It will begin and end in Hamlin Park, but the longest walk is 26 miles so they will be walking on Town Roads. The Village of East Aurora and the Village Police Department are also working with this group for approvals. Dave Robinson will be at the meeting to discuss details of his event. They do have an insurance certificate naming the Town as and additional insured and routes planned. Dave

GREAT WATER WALK

AUGUST 10th

Hamlin Park- East Aurora

The Great Water Walk is a community fitness challenge event to raise awareness and funds for clean drinking water. Every day women and children walk miles collecting dirty water that leads to sickness and death. They walk many miles, carrying Jerry cans that weigh up to 40 pounds. On August 10th we will walk with them and for them. Walkers of every fitness level are welcomed. With four distances to choose from, all through scenic East Aurora. 26.2 Marathon Walk, 13.1 Half Marathon walk, 6.2 Mile Challenger and 1 Mile Family Walk. Each participant will receive a 1 Gallon Jerry Can. Fill it with water for an extra challenge (weighs 10 pounds filled). Or those walking the 26.2 miles can choose a full sized Jerry Can weighing 40lbs filled and earn Hercules status! Post walk party to include food, family activities and fundraising awards.

Re: Washer & Dryer purchase

I am requesting permission to purchase a new Samsung washer and dryer. Our current washer/dryer combination is 13 years old and the washer is dying. The repairman recommended we replace the unit as the motor replacement is \$400. After researching the stores, I felt the individual stackable units would be best. That way in the future we could replace just the unit with issues. The money will come from our TA1000.0090 account with a balance of \$12,678. We hope to recoup some money with the auction of the existing unit.

Stack Kit will be required at a cost of \$35.00
