BUILDING DEPARTMENT
(716) 652-7591

MEMO

TO: Supervisor Bach and Town Board Members
FROM: Elizabeth Cassidy, Code Enforcement Officer
DATE: August 10, 2022

The Building Department has received a Special Use Permit application for a Dwelling Group at 718 West Falls Rd. J. Gerard Green, owner of the property, would like to construct an additional single-family residence for his own use. The property is zoned R3 at the road and A behind and all of the existing dwellings are in the A District.

Town Code section 116-41A(2) states that the Town Board may take one of the following actions:

- 1-take no action
- 2-request modification and resubmission
- 3-request a site plan application (*not applicable to one-family or two-family dwellings*)
- 4-refer the application to the Planning Board for review and recommendation.

If the Board refers it to Planning Board, a public hearing should be scheduled prior to a decision on SEQR and the application. The application should be sent to Erie County Department of Planning for their review and recommendation due to the proximity of a County highway (West Falls Rd).

This is an Unlisted action for purposes of SEQRA.

Thank you
Liz Cassidy

Dear Members of The Board,

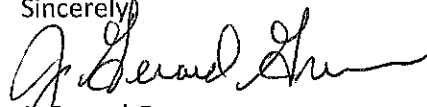

I am writing to you to supplement my application to hopefully build a single family, ranch style Home on 4.1 acres of land I purchased almost 2 years ago. The address is 718 West Falls Road in West Falls, NY.

It is a unique property currently consisting of 3 individual housing structures, housing 4 residential Rental units and one oversized shed with electricity but no other utilities. These structures all sit at An equal level of the property and are slightly elevated and set back from the street. Beyond these Buildings is an additional further elevated area where the majority of the 4 acres of land sits. This Elevated area is heavily wooded, extremely private and surrounded by equally heavily wooded and private land owned by my neighbors. It is my goal to create a well-engineered driveway up the hill approximately 250 feet and build an owner occupied, ranch style, 3 bedroom home. I'm anticipating it to be between 1800-2000 sq. ft. I would invite you all to reach out to me and let me know if you would like to tour the property as part of your evaluation of my application.

In your capacity as a board member, I believe you could see the benefit of my goal when you consider the enhanced ability of my maintaining the property and the rental units by living on the premises.

Thank you for your consideration and I look forward to answering any questions or concerns you might have. Again, If any of you would like a personal tour of the property please reach out to me and we can schedule a time to do so.

Sincerely,

J. Gerard Green

Dear Supervisor Bach,

The South Wales Fire Company would like to request monies from the COVID relief funds through the American Rescue Plan. In May, we discovered that these funds were already being awarded to other fire companies within our area. The Company experienced losses of approximately \$15,000 from cancelled fundraising events in 2020 and 2021. We wonder if there is a formal application process. Please feel free to contact me at 716-652-6659 at schneckenbergerc@southwalesfire.com.

Good afternoon Rick and Jim. Hope you are both well and healthy and happy. I have gathered the information regarding the coronavirus recovery funds. I have attached copies of the receipts of expenditures we had made. In addition we had fund raising loss which I will break down for you below.

We normally conduct several fund raisers a year. Broken down as such: one spring and one fall BBQ and also one pancake breakfast. In 2019 we profited \$3,445 for the spring BBQ, \$3770 for the fall BBQ and \$5,712 for the pancake breakfast. As of today we were forced to not have a total of three fund raiser due to the covid pandemic.

We look forward to working with you both. If there is anything else you need feel free to reach out.

Thank you for all your support to the South Wales Fire Company!

Re: Request to pay Alloy Welding Invoice

Please approve paying Alloy Welding & Fabricating \$3,276 for Invoice 5032. On August 4, 2022 the blacktop machine needed an emergency repair. Alloy removed the old damaged cylinder from truck 318 and replaced and installed a new Hyva A6.5-4-183-K8 cylinder. Prior to authorizing the repair, three other companies were asked to give us quotes. Valley Fab quoted \$3,500 for the part, plus labor. Weber Hydraulic and Fluid Power declined to provide a quote because they were unable to make the necessary repairs.

BOYS & GIRLS CLUB
OF EAST AURORA

August 2, 2022

Mr. Jim Bach
Supervisor, Town of Aurora
575 Oakwood Avenue
East Aurora, NY 14052

Dear Jim,

On behalf of our Board of Directors, Staff, and Members, I want to thank the Town of Aurora for financially supporting the Boys & Girls Club of East Aurora. Your funding award of \$35,000 tremendously helps us provide high-quality after-school programs and summer services to East Aurora youth. Below is a recap of how your grant award served our community. In 2022, your funding helped BGCEA serve 730 kids through:

- **Athletics:** Your support provided sports leagues and daily programs that kept kids active for a minimum of 60 minutes daily. Member's favorite sports were flag football, kickball, and floor hockey.
- **Educational Programs:** Your funding helped us hire Teachers and Teacher's Aides from the East Aurora School District for tutoring and homework help. Kids improved their grades and academic comprehension.
- **Drug, Alcohol, and Early Sexual Involvement Prevention Programs:** BGCEA's SMART Moves program engages young people in discussion to develop assertiveness and strengthen decision-making skills. Your grant award helped members learn how to say no to peer pressure and bad choices.
- **Social Recreation Programs:** Your support of the Gamesroom allowed kids to meet people, play, increase their confidence and have fun! These programs include daily drop-in activities, community service opportunities, and other recreational activities.
- **Summer Camp Programs:** Camp Ska-No-Ka-San gave kids in grades 2-8 fun outdoors while offering older youth their first volunteer experience as Junior Counselors. Children had fun hiking, boating, fishing, and swimming while their parents finished their work day.
- **Teen Programs:** Youth participated in evening programs like Torch, Keystone, and athletics, which were a positive alternative for teens. They also took a Keystone Conference to Cedar Point and participated in youth programs at the Boys & Girls Club of Erie County in Ohio.

Support from the Town of Aurora keeps kids safe and physically active all year round while helping them succeed at school. Thank you again for making a difference at your local Boys & Girls Club!

Sincerely,

Gary Schutrum
Chief Executive Officer
