Winterfest is coming up soon! There are just a few more weeks until our town's "Staycation" is in full effect. We have even expanded the number of businesses participating in our Chili Challenge this year!

Spring and Summer programming are in full effect. Our spring programs are popping up on our website as soon as the facilities and instructors are solidified. Our summer programs will be available for the public to view in early March. Residents will be able to sign up for them on April 3rd and non-residents on April 17th.

Summer employment applications have been sent out to encourage returning staff to apply early. Chris will be running a lifeguard class on weekends in April and May to get a large group of interested 9th graders certified before the season starts. Meaghan is on the hunt for a tennis instructor. Any interested applicants should call the Rec. department.

EAST has had a busy month. We had 16 athletes travel to Webster, NY to compete in a 3 day meet, hosted an intrasquad meet at the high school, and started up a learn-to-swim. We are looking forward to our post season meet which begins in late February and finishes in late March.

**TOWN OF AURORA SENIOR CENTER
DIRECTOR'S REPORT
MONTH OF January 2023**

The mission of the Town of Aurora Senior Center is to help older adults remain healthy and active through participation in recreational pursuits and to provide leadership and advocacy to ensure the availability of leisure and recreational opportunities for seniors.

ADMINISTRATION

I attended our quarterly director's meeting at the West Seneca Senior Center on January 24, 2023. Much of our discussion centered around the 2022 Blizzard and responses from our towns and county. Commissioner Angela Mariucci offered insight into the county's efforts to assist seniors. The Cheektowaga Senior Center housed 240 people during the blizzard. It was an interesting how they served meals and with only 120 cots available how everyone slept. It reminds us of the preparations are needed with everyone involved.

AARP and Vita tax volunteers will begin tax preparations for this year. This service is greatly appreciated with no cost to the seniors. Our scheduled appointments are filled for the season.

Re: Monthly Report – December 2022

General Information

- We had several interviews with candidates for public safety dispatcher positions and will continue to hire for part-time positions right now and hopefully find a candidate to fill the full-time position in the near future.
- Officers have successfully completed online training titled “Recognizing and Responding to Anaphylaxis”.
- Carolcade was another success this past December. The event had a very large crowd, although it dispersed early and quickly due to a Bills game that night. Although there was a concern of traffic issues due to a home Bills game no problems arose.
