Ms. Martha L. Libroek, Town Clerk  
**TOWN OF AURORA**  
Southside Municipal Center  
300 Gleed Avenue  
East Aurora, NY 14052

Dear Ms. Libroek:

As a follow-up to our July 3, 2014 letter, we have completed our traffic engineering investigation related to your June 30, 2014 request for a reduced speed limit on Olean Road (Routes 16 and 951V) in the Town of Aurora.

The need for a reduced speed limit is based on a thorough evaluation of many factors, including roadway characteristics, roadside development, and a statistical analysis of prevailing speeds as determined by radar checks. The majority of motorists drive at a speed which they perceive to be reasonable and prudent for existing conditions. Experience has shown that if there is no apparent reason for driving at a reduced speed, the posting of signs with an arbitrarily lower speed limit does not result in voluntary compliance by the majority of drivers. Thus, the lower speed limit results in larger speed differentials which can make the road less safe.

Generally, the 85<sup>th</sup> Percentile Speed and the 10-Mile Pace are the predominant factors in determining the appropriate speed limit. The 85<sup>th</sup> Percentile Speed is that speed at or below which 85 percent of all vehicles travel. The 10-Mile Pace is that ten mile per hour speed interval that includes the greatest number of vehicles.

In the case of Olean Road, the 85<sup>th</sup> Percentile Speed was found to be 56 MPH. The 10-Mile Pace was 46 to 55 MPH with 73 percent of the traffic within the pace. Considering the data we have obtained for this area, we have determined that we will not reduce the existing 55 MPH speed limit at this time.

Dear Supervisor Bach:

Section 2019-a of the Uniform Justice Court Act requires that town and village justices annually provide their court records and dockets to their respective town and village auditing boards, and that such records then be examined or audited and that fact be entered into the minutes of the board's proceedings.

The Unified Court System's *Action Plan for the Justice Courts*, announced November 2006, includes initiatives to improve accountability and controls over Justice Court finances and records. Among the initiatives is increased monitoring of town and village board compliance with section 2019-a.

Accordingly, I am requesting that you provide a copy of your most recent audit (calendar year 2013 or fiscal year ending in 2014) or examination of your local court's records and a copy of your board resolution acknowledging that the required examination or audit was conducted. Please forward the report and the resolution to Joan Casazza, Internal Control Liaison, NYS Office of Court Administration, 2500 Pond View, Suite LL01, Castleton-on-Hudson, NY 12033.

If you have any questions, please call Joan Casazza at (518) 238-4303. Thank you for your cooperation.

Very truly yours,

Re: Unpaid Billings  
Water District Accounts

Dear Supervisor Bach:

I am enclosing a listing showing the amounts due from Authority customers in your Water District to whom billings have been issued and from whom payment has not been received to date.

Under contracts between the Erie County Water Authority and the Water District Board of Commissioners, provision was made that, in the event of non payment of water billings, the Water District would proceed to collect such unpaid charges in the manner prescribed by law. I respectfully request that you proceed to make such collections in whatever manner is provided.

As a service, a copy of this letter and listing has been forwarded to the Office of your Assessor for processing.

Please contact me if there are any questions.

Submitted by: Peggy Cooke, Retiring Director

Peggy has been reviewing and teaching me all the ins and outs of the recreation department. She has been a fantastic teacher and will surely be missed as she enters her retirement. I am currently learning to manage the budget while comparing existing and new programs to better serve the community. I have also been coaching the EAST swim club devoting a majority of my time to the Blue and Gold groups. The parents, board members, coaches, and swimmers have been incredibly welcoming to me and I am enjoying my time at the pool very much.

The mission of the Town of Aurora Senior Center is to help older adults remain healthy and active through participation in recreational pursuits and to provide leadership and advocacy to ensure the availability of leisure and recreational opportunities for seniors.

**ADMINISTRATIVE:**

Our Open House & Program Registration Day was held on Sept. 8<sup>th</sup> from 9-12noon. Our attendance was great and we saw many new faces. Everyone was happy to have Supervisor Bach and Comptroller Mychajliw at the center.

Simplex-Grinnell inspected our fire alarm system and all passed. AFP Group inspected our range hood and sprinkler system and again all passed.

We are offering the program Powerful tools for the Caregiver. Erie County sponsors the program with volunteer instructors. We are pleased to have Ruth Collins and Lee Ainsworth-Mahaney as the instructors. The program focuses on working with the caregivers to aid in their daily struggles.

Lastly we were pleased to order from Shell Fab our new countertop for the dining room. We hope to have it installed about the third week in Oct. We would like to thank everyone who donated to make this possible.
