Our summer season is closing in fast! Many of our programs are close to being filled to capacity. We are looking forward to another great summer with our staff and participants!

Staff training, recertification, and orientations have begun. Chris finished up a lifeguard class with 8 participants and recertified 15 other pool and park staff. He will be hosting another lifeguard course at the beginning of summer as well as recertification in mid-August.

Meaghan will be running staff training for our Sports programs in June. She will also be running orientation shortly after for programs at the park.

EAST started up it's spring session with a solid base of 10 & Under swimmers. We will be competing in long course pools this season which are twice as long as our community pool. This is exciting for our athletes because it will be the same style pools the Olympians compete in!

TOWN OF AURORA DEPARTMENT OF PARKS & RECREATION
DIRECTOR'S REPORT
MONTH OF: JUNE 2023

ADMINISTRATIVE:

Reports:

- We have 15,622 members registered in our recreation system.
- We had 406 activity registrations.
 - 188 total registrants (130 residents, 58 non-residents)
- We generated \$30,939 in sales.
- Credit card purchases totaled 85% (87% on-line, 13% office)

▪ Total sales from 1/1/2023 – 6/30/2023	\$163,793

The summer season has finally begun! Pool orientation occurred the morning of opening day. With nearly 30 lifeguards, we will be able to continue to keep the pool open for all scheduled hours and staff our swim lessons. Orientation for Day Camp will be later in the month before kicking off our first day on June 26th.

The community pool opened this year on June 3rd. This year for members, we purchased membership cards for them to scan when they come in. Members seem to enjoy this. Membership is also up from last year and we have reached 94% of our projected revenue in late June. It's going to be a great summer for the pool!

Registration for our summer programs is looking great. Our all of our programs have reached the minimum number of registrations to be run. We have a great group of staff excited to start them!

EAST ran a fun meet at the Community Pool on June 2nd with teams from Grand Island and Elma. We had over 150 people, swimmers and parents, at the pool for a great night of friendly competition. After school ends, we transition to morning practices out at the community pool and begin to focus on championships. We are looking forward to practicing in the fresh air.

**TOWN OF AURORA SENIOR CENTER
DIRECTOR'S REPORT
MONTH OF June 2023**

The mission of the Town of Aurora Senior Center is to help older adults remain healthy and active through participation in recreational pursuits and to provide leadership and advocacy to ensure the availability of leisure and recreational opportunities for seniors.

ADMINISTRATION

I attended our director's meeting at the Orchard Park Senior Center. We had a speaker from Senior Wishes encouraging seniors with limited income to apply for a wish they may not be able to experience. Past wishes included tickets to a Bills or Sabre's game, sailing on Lake Erie, or a party for family members. We also discussed building safety concerns, lockdown drills, and emergency plans. Our centers may vary in sizes, but our concerns are the same.

Erie County Senior Services installed our new 73" television with capabilities to interact with other center for programs. We are learning how best to utilize the equipment. It will be a learning experience for our staff and members.

Our University Express programs this month included Inflammation and your diet, Chess, and Lies, Damn Lies, and Statistics. County Comptroller Kevin Hartwick was the presenter for our last program. We will have one more for this session in July with Commissioner Angela Mariucci.
