**Re: Application by Lancaster Depew Soccer Club to Host End of Summer Classic Soccer Tournament at Arsenal Fields at Knox State Park**

Dear Aurora Town Board:

The Board of Directors of the Aurora Arsenal Soccer Club, Inc. ("Arsenal") strongly and enthusiastically supports the Lancaster Depew Soccer Club's ("LDSC") application to host its End of Summer Classic Soccer Tournament at the Arsenal Fields at Knox State Park on July 26-28, 2024.

We had the pleasure of working with LDSC for their 2023 tournament at Knox. Having been to dozens of tournaments over the years, I can attest that it was extremely well run. The LDSC took great care of our fields and treated them as they were their own. Moreover, most of the Arsenal teams participated in the tournament at a substantial discount to our club which was a benefit to the Arsenal families and players. The LDSC also reimbursed us for field lining paint and related expenses. The businesses in the Town also surely benefited from having all of the participating families spending the weekend in the East Aurora area.

Finally, this tournament is consistent with the Arsenal By-Laws which sets forth as its purpose "to encourage local youth to participate in healthy, sportsmanlike competitive soccer." While this is not an Arsenal Tournament, the LDSC made us feel like partners in the tournament.

We request that the Aurora Town Board approve the LDSC's application. If you have any questions or require anything further please contact me at psorgi@hsmlegal.com or 716.908.3289. Thank you.

Sincerely,

Aurora Arsenal Soccer Club, Inc.

**TOWN OF AURORA SENIOR CENTER  
DIRECTOR'S REPORT  
MONTH OF October 2023**

The mission of the Town of Aurora Senior Center is to help older adults remain healthy and active through participation in recreational pursuits and to provide leadership and advocacy to ensure the availability of leisure and recreational opportunities for seniors.

**ADMINISTRATION**

Our staff along with several seniors are working with Erie County Senior Services on tech training for our new television and laptop. I have scheduled two more sessions and hopefully with the help of our extremely intelligent volunteers we will be able to stream the University Express program, compete against other centers in trivia, and connect with virtual programs offered by the county.

Our University Express in person classes have been going well. Our average attendance is 50 people for the wide variety of speakers that are being offered. The most well attended was the program on The Sun, the Moon, and the Eclipse. Everyone is curious and excited about the April eclipse next year.

I attended our quarterly Director's meeting on October 17<sup>th</sup> at the Lancaster Senior Center. Our primary topic of discussion is the NYS Master Plan for Aging.

Commissioner Angela Marriuncci regularly attends our meetings which is helpful and informative.

On another note, the septic in the kitchen was pumped out to meet the standards for the Erie County Sewer Authority. A detailed logbook is kept for inspections.

Rath Building, 14<sup>th</sup> Floor

Dear Ms. Wilkolaski:

This is in reply to the Town of Aurora's request for a lower speed limit on Blakeley Corners Road, CR 85, between Olean Road and the Aurora/Wales town boundary. We have completed our investigation related to this matter.

Based on the data we have collected, our speed zone evaluation criteria, we will approve a 40 MPH speed limit along this section of Blakeley Corners Road. All signs necessary to post the 40 MPH speed zone will be the responsibility of the county. When we receive a copy of the approved Notice of Order legally establishing the lower speed limit from the Director of the Traffic and Safety Division in Albany, we will forward copies to you and the town for your records.

Thank you for your interest in and support for the transportation system. If you have any questions or need additional information, please feel free to contact me or David Sobol, of my staff, at (716) 847-3268.

Sincerely,

Attn: Kathleen Moffat  
Aurora Municipal Center 575 Oakwood Avenue

Dear Ms. Moffat:

We are pleased to announce that the Town of Aurora has qualified for the Comp Alliance Safe Workplace Award for its performance during policy year 2022. The enclosed award check signifies the Town of Aurora's commitment to minimizing workplace accidents and keeping its employees healthy and safe.

The Safe Workplace Award Program is a monetary award that benefits Comp Alliance members who have had positive loss experience during a given policy year. The Comp Alliance Board of Trustees implemented this program to reward its members whose commitment to safety is reflected in its favorable loss experience. Since its inception four years ago, we have awarded more than \$3.7 million to our municipal and school members.

We appreciate your continued membership in the program and look forward to helping you keep your workforce healthy and safe.
