#### AUDIENCE I:

Therese Campanelli, Olean Street, noted her opposition to the rezoning of a lot on Olean Road to C2 (commercial). Ms. Campanelli stated that the Town of Elma just approved a golf venue on Seneca Street near Sahlen's sports center.

#### UNFINISHED BUSINESS:

The Board discussed the request from Harrison Kelly to rezone a parcel of land that he owns on Olean Road from A and RR to C2 in order to develop a golf center on the property.

CEO Cassidy stated that the (unadopted) Comprehensive Plan suggests that Olean from the Village line to Blakeley Road be a commercial corridor. Ms. Cassidy noted the first step would be rezoning only. If the rezoning local law is adopted then the allowable permitted uses would be in effect. Then site plan approval and a special use permit would need to be applied for before anything could be developed on the property. SEQR would also apply and this whole process could take several months.

Ms. Cassidy stated that the Town could rezone a portion of the property, apply restrictive covenants or a conservation easement on the property.

Councilman Wochensky stated that he feels a conservation easement or restrictive covenants would be best. Councilman Snyder felt that the whole parcel could be rezoned with a conservation easement for a buffer to the property to the south. Mr. Snyder noted that the decision to rezone should not be based on the golf plan because rezoning would be for any business allowed in a C2 zone.

Planning Board Chairman Doug Crow stated that this issue was before the Planning Board before, but they did not consider all the things the Town Board is discussing tonight.

Councilman Wochensky suggested sending it back to the Planning Board and asking them to consider if rezoning this parcel to C2 would be consistent with the Comprehensive Plan and if it meets the plans criteria.

Councilman Granville moved to refer the request to rezone 600 Olean Road to C2 back to the Planning Board for further review of the rezoning and of the buffer area. Councilman Snyder seconded the motion. Upon a vote being taken: ayes – five noes – none Motion carried.
