**TOWN OF AURORA SENIOR CENTER
DIRECTOR'S REPORT
MONTH OF November 2023**

The mission of the Town of Aurora Senior Center is to help older adults remain healthy and active through participation in recreational pursuits and to provide leadership and advocacy to ensure the availability of leisure and recreational opportunities for seniors.

ADMINISTRATION

On November 16th I attended a Live Well Erie task force meeting at the Orchard Park Senior Center. Deputy County Executive, Lynn Chimera hosted the meeting. Our group consists of numerous partners including public, private, and non-profit members. Our common goal is to improve the health and quality of life for our residents in Erie County.

I attended our annual meeting for the Network in Aging on November 2nd. The topic was Balancing the Aging Landscape presented by New York State Acting Director of the Office of Aging, Greg Olsen. Greg spoke about older adults living longer and healthier lives, and the numbers are growing. Some interesting fact I was not aware of was that 83% of US household wealth is held by people over 50. Also, in NYS 36% of the population is over the age of 50. Greg spoke on many topics throughout the morning including depression, loneliness, nutrition, and mental health.

Our staff completed HIPPA training through Erie County Senior Services.

Our Tech focus group met with Katie Earl from senior services.
