MEMO

TO: Supervisor Snyder and Town Board Members

FROM: Elizabeth Cassidy, Code Enforcement Officer

DATE: February 7, 2024

There is a discrepancy in the C3 code section 116-8.9D which allows uses by SUP when conducted in an enclosed building. However, there are uses in both the C2 district and the C3 district that are outdoor uses, i.e. junkyard, storage yard, outdoor theater, and sport facilities. I don't believe this was the intent during the code revision.

I would like to clean up the language in this section and request that the Town Board refer this to the code committee for discussion and a recommendation.

Thank you,
liz
