Re: Part Time Clerks

Approval is requested to change Dawn DiFilippo and Patty Monroe from Clerk Typist PT to Clerk *TYPIST* PT Seasonal for 5 months beginning March 25. This change enables Patty and Dawn to work more than 19 hours in a week so they can cover each other's vacation days. Changing to seasonal complies with Erie County Personnel regulations and does not impact the budget.

Town Board Members,

Last year there were 23 communities in Western New York which were identified as having additional areas to be included in their MS4 designated areas. The Western New York Stormwater Coalition has applied for a grant for mapping outfalls and conveyance systems in these areas as indicated in the letter of commitment. The map provided indicates the Town's existing MS4 designated area shaded in purple and the newly designated areas shaded in blue. I am requesting that Board approve Supervisor Bach to sign this letter of commitment so the Coalition can continue in the grant application, and mapping process. Thank you.

The **Town of Aurora**, in cooperation with the Western New York Stormwater Coalition, is a project partner on the Erie County Department of Environment and Planning's Round 11 Water Quality Improvement Project – 2013 WQI-11046. The primary focus of the project, entitled *Western NY Stormwater Coalition: Newly Designated Urbanized Area Project*, is to map storm sewer outfalls and conveyance systems including: catchbasin and manhole locations; number and size of connections (inlets/outlets); direction of flow; and delineation of storm sewersheds in Newly Designated Urbanized Areas within MS4 communities in Erie and Niagara County. Should the project receive funding, The **Town of Aurora** agrees to the following roles and responsibilities as a project partner:

1. **Town of Aurora** will provide any existing storm sewer maps and assist a field crew during the data collection component of the project in their respective MS4.
2. **Town of Aurora** will work with the Project Manager to extend its Stormwater Management Program throughout its Newly Designated Urbanized Areas, specifically addressing Public Education and Outreach, Illicit Discharge Detection and Elimination and Pollution Prevention/Good Housekeeping requirements.
3. **Town of Aurora** will contribute inkind services to help meet the required local match of 25%. The inkind services will be salary and fringe for municipal staff participating in the data collection component of the field work conducted in their respective MS4.
